What's inside

At Kopran, we are driven by a passion for delivering high-quality products that make a positive impact on patient health worldwide. In keeping with this, we follow an integrated approach to product development, adopting best-in-class technologies and adhering to the highest standards of quality. Through focused innovation and a persistent emphasis on R&D, we strive to consistently generate sustainable value for stakeholders while upholding care and integrity in all our actions.

For the years ahead, as we continue to pursue sustainable growth, our focus will remain on developing premium-quality APIs and Formulations, strengthening our global footprint and exploring emerging opportunities.

With confidence and prudence, we will continue to drive advancements in our business, delivering products that safeguard patient health worldwide.

Kopran at a Glance

Since our inception in the late 1950s, we at Kopran have fortified our market position as an integrated pharmaceutical manufacturer, dedicated to producing and supplying international quality formulations and Active Pharmaceutical Ingredients (APIs) worldwide. Our state-of-the-art manufacturing facilities hold accreditations across various continents, ensuring adherence to the highest quality standards.

Operating Kopran Limited for formulations and Kopran Research Laboratories Ltd. (KRLL) for APIs, we serve both regulated and non-regulated markets with a sharp focus on technological innovation. Consistent R&D drives our strategy of developing new products and processes that elevate our offerings in formulations and APIs.

High-Performing Business Units

Over the years, we have developed an integrated portfolio, covering two vital stages of the pharmaceutical value chain. With a broad and competitive range of speciality API intermediates, we have become solidified our stance as a foremost player in the pharmaceutical sector. We are confident that ongoing evolution and product innovation will remain our primary growth drivers going forward. As we explore new opportunities, our dedication to producing high-quality APIs and formulations remains steadfast, benefiting millions of patients globally.

Active Pharmaceutical Ingredients

Kopran is one of the key contributors in the manufacturing and sale of diverse active pharmaceutical ingredients and advanced intermediates. The range of APIs manufactured by the Company includes Sterile Cephalosporins and Carbapenems. The Company's in-house research team puts a prime focus on providing high-quality APIs to ensure safety and efficacy of the resulting drugs. In addition to this, the Company is certified with sustainable and drug master files for its APIs, further reflecting the Company's commitment to providing quality products.

We offer an extensive range of APIs, such as Macrolides, Antibacterials, Anticonvulsants and Cardiovascular drugs. We hold Certificates of Suitability and Drug Master Files for many of our APIs, underscoring our commitment to quality and compliance.

Formulations

We are at the forefront of developing and manufacturing oral solid dosages and dry powder formulations for both Penicillin- and Non-Penicillin-based drugs. Our operations cater exclusively to export markets, serving both Regulated and Non-Regulated regions.

We have an extensive portfolio, producing over 100 dosage forms that meet international quality standards. These include tablets, capsules, dry powder, suspension and injectables. This comprehensive range enables us to address the diverse needs of global markets effectively.

A significant advantage of our formulations business is our in-house production of several APIs. This vertical integration provides us with a competitive edge, ensuring cost efficiency and quality control for both branded and generic formulations.

Charting the Course for Our Future Growth

At Kopran, our success is driven by steadfast focus on growth sustainability, cost leadership, balanced profitability, investments in the future and business development. By embracing innovation and ensuring regulatory compliance, we integrate API and formulation development for driving sustainable growth, operational efficiency and global expansion in the pharmaceutical industry.

We have an extensive portfolio, producing over 100 dosage forms that meet international quality standards. These include tablets, capsules, dry powder, suspension and injectables. This comprehensive range enables us to address the diverse needs of global markets effectively.

A significant advantage of our formulations business is our in-house production of several APIs. This vertical integration provides us with a competitive edge, ensuring cost efficiency and quality control for both branded and generic formulations.

Development of API Intermediates

Investing in the development of intermediates for APIs is pivotal to enhancing vertical integration, ensuring quality control and reducing dependence on external suppliers. This strategic initiative strengthens our market position and contributes to our sustainable growth.

Reducing reliance

To mitigate supply chain risks and enhance operational resilience, we are diversifying our supplier base and expanding production capabilities globally. This strategy aims to reduce dependence on suppliers based in China and ensure uninterrupted product supply.

Expansion into new customer segments and geographies

Our expansion into new geographical regions and customer segments is integral to our growth strategy. By tapping into new markets and enhancing our market penetration, we diversify revenue streams and strengthen our global footprint.

Optimising operational costs

Efficiency in operations is critical to maintaining competitiveness and profitability. Through rigorous cost management strategies and process optimisation initiatives, we streamline operations and maximise cost efficiencies across our manufacturing processes.

Process enhancements

Continuous improvement efforts focus on enhancing the yield of existing products through advanced manufacturing techniques and operational refinements. This improves productivity while also reducing production costs and enhancing profitability.

New regulatory filings and certifications

Compliance with stringent global regulatory standards is fundamental to our operations. We pursue new regulatory filings and certifications to ensure that our products meet the highest global standards in terms of quality, safety and efficacy.

Automating packing lines in formulations

Automation plays a pivotal role in enhancing operational efficiency and maintaining product consistency. By investing in automating our formulations' packing lines, we optimise throughput, reduce manual errors and improve overall productivity.

Emphasis on R&D

Our R&D strategy entails developing niche, high-value/high-volume APIs and intermediates that address unmet medical needs and offer competitive advantages. Driving focused innovation adds to product differentiation and enriches our portfolio.

Leveraging customer base for innovation and growth

We build on the strength of our enduring customer relationships to identify emerging market trends and customer needs. This customer-centric focus informs our approach to developing and introducing new products that meet market demands and drive business growth.

Innovation-led R&D and Manufacturing

At Kopran, we reinforce our leadership in the pharmaceutical industry through comprehensive manufacturing activities and tailored solutions. Our R&D division comprises a team of competent scientists dedicated to driving innovation in organic chemistry. Their expertise ensures continuous advancements in our product offerings, keeping us at the forefront of the industry.

Excellence in manufacturing, combined with the adherence to stringent international standards, solidifies our reputation as a trusted partner in the pharmaceutical sector. By integrating cutting-edge research with world-class manufacturing practices, we consistently deliver superior products that meet the diverse needs of our global clientele.

Key initiatives and focus areas

Continuous process and yield improvements

We constantly strive to enhance the processes and yields of existing products, making them more competitive in the global market

Seamless production

Ensuring the efficient production of various organic intermediates and APIs, supported by our robust R&D team

State-of-the-art support

Our state-of-the-art research centre and pilot plant are staffed by a team of able scientists, whose expertise enables us to meet evolving client expectations

Environmental responsibility

We are dedicated to protecting the environment by optimising our energy consumption and contributing to pollution reduction.

Active Pharmaceutical Ingredients

At Kopran, our manufacturing plants are designed to produce a diverse range of organic intermediates and Active Pharmaceutical Ingredients (APIs). Our extensive experience in organic chemistry, combined with cGMP capabilities, enables us to offer a wide array of services in the organic synthesis for custom manufacturing and API production.

Also, by maintaining the independence of our research team we ensure that contract research is conducted confidentially and exclusively.

In addition to our manufacturing excellence, we are committed to environmental protection. We continuously strive to reduce pollution and energy consumption to enable sustainable development.

Robust Quality and Safety Assurance

At Kopran, we have in place a Quality and Safety Management System for ensuring adherence to safe manufacturing practices and the production of high-quality offerings. Our commitment extends to complying with international quality norms and driving continuous process improvements.

Complying with regulations

Handling customer feedback

Promoting continuous improvement

International quality standards and recognition

Each of our products conforms to the highest international quality standards. Our facilities follow Good Manufacturing Practices (GMP) aligned with regulations from leading markets such as the US, UK and Europe. Recognitions from esteemed regulatory bodies including MHRA UK, Medicines Health Authority Malta, TGA Australia and others underscore our dedication to quality excellence.

Standard Operating Procedures (SOPs)

We have established Standard Operating Procedures (SOPs) to systematically identify hazards and assess risks. For critical and hazardous processes, specialised Hazard and Operability (HAZOP) and Hazard Identification and Risk Assessment (HIRA) procedures are implemented to ensure the highest level of safety and mitigate potential risks effectively.

Hazard identification and risk assessment

Our comprehensive approach includes the identification of work-related hazards and the assessment of risks on both routine and non-routine bases. Regular safety inspections and training sessions are conducted for all employees to enhance awareness and promote a culture of safety.

Reporting and mitigation

A robust process is in place for workers to report work-related hazards and protect themselves from potential risks. The dedicated Central Safety Committee (CSC) is responsible for receiving and assessing reports regarding unsafe acts and conditions. This committee ensures timely actions are taken to address and mitigate any identified hazards, fostering a safer work environment for all employees.

Delivering on Our Social Commitments

At Kopran, we recognise that our success is intricately linked to the well-being of our workforce and the communities we serve. By investing in our workforce and supporting our communities, we not only drive our own success but also contribute to the greater good. Our dedication to these principles ensures that we remain a responsible and forward-thinking organisation while achieving long-term growth.

Ensuring employee well-being

We strive to create a safe and inclusive work environment that promotes the well-being of our employees. By providing opportunities for professional growth, development, and advancement, we empower our workforce and help them achieve their full potential. Recognising and rewarding employee achievements and contributions is central to our ethos, ensuring that our team members feel valued and motivated.

Nurturing our talent pool

We promote a safe, inclusive work environment that prioritises the well-being and professional advancement of our personnel. By recognising achievements, encouraging collaboration and offering training, we empower our employees, ensuring their voices are heard and their potential is fully realised.

Fostering collaboration and innovation

Our conducive atmosphere for collaboration, teamwork, and innovation promotes a culture where ideas can flourish, and employees are encouraged to work together towards common goals. We offer comprehensive training and skill development programs to enhance our employees' capabilities, preparing them for the challenges of tomorrow.

Promoting employee engagement

We actively encourage our employees to participate in decision-making processes, ensuring that their voices are heard and their insights are valued. To support this, we provide a robust grievance redressal mechanism and a platform for feedback and suggestions, ensuring that any concerns are addressed promptly and effectively.

Emphasising health and safety

We uphold rigorous standards to ensure safe and hygienic working conditions across all locations. This includes maintaining clean, well-lit facilities, providing properly sanitised washrooms, offering hygienic and healthy food, supplying clean drinking water, installing fire safety systems, and providing first aid kits. By prioritising workers' well-being through proactive health and safety measures, we create a secure and supportive environment.

Building strong communities

Our Corporate Social Responsibility (CSR) efforts entail engaging in initiatives that benefit local communities, ensuring their holistic development. By collaborating with local organisations and addressing community concerns promptly, we build trust and maintain positive relationships with the communities we serve.

- b) sweat equity shares

The Company has issued **4,75,000** (Four Lakh Seventy Five Thousand Only) ESOP to eligible persons as designated by the Company and/or subsidiary company as per the '**Kopran Employee Stock Option Plan 2023**' ("**ESOP 2023**" / "**Plan**")

5. Proceeds from Preferential Issue

The Company has raised ₹ 126.48 Crores on the Preferential Issue of the equity shares in 2020-21 under SEBI ICDR Regulations. The Company and its subsidiary has fully utilized the funds raised on the preferential issue of Equity Shares from the objects stated in the Offer document. There has been no deviation in the use of proceeds of the Preferential Issue.

6. Management Discussion and Analysis

The Management Discussion and Analysis as prescribed under Part B of Schedule V read with Regulation 34(3) of the Listing Regulations 2015 is provided in **Annexure A** of this Report.

7. Subsidiaries, Associates and Joint Ventures

A statement containing the salient features of the financial statements of subsidiary / associate / joint venture companies, as per Section 129(3) of the Act, is part of the consolidated financial statements.

Kopran Research Laboratories Ltd., Kopran (H.K.) Ltd., and Kopran Lifesciences Ltd. are the subsidiaries of the Company and the Salient features of their financial summary is provided in **Annexure B** of this Report.

The Financials of the Subsidiaries are placed on the website of the Company <https://www.kopran.com/investors/financials/> any Shareholders interested in obtaining a copy of the Financial Statements of the Subsidiary companies may write to the Company Secretary at the Company's registered office.

8. Directors, Key Managerial Personnel & Senior Management

In accordance with the provisions of the Act and the Articles of Association of the Company, Mr. Susheel Somani (DIN: 00601727), Non-executive Director and Non Independent Director of the Company, is due to retire by rotation at the ensuing 65th Annual General Meeting and being eligible, has offered himself for re-appointment. A Resolution seeking shareholders approval for his re-appointment alongwith other required details form a part of the notice.

The tenure of Mrs. Mamta Biyani (DIN: 01850136) and Mr. Narayan Atal (DIN: 00237626), Independent Director expires on 19th July 2024. The Nomination & Remuneration Committee has recommended the re-appointment of both the Independent Directors for another term of five years and the Board recommends the resolution set out in the Notice annexed herewith for approval of shareholders.

Composition and other details of Board of Directors on March 31, 2024 is annexed herewith as **Annexure D**. The Directors appointment and remuneration is in accordance with the Nomination and Remuneration Policy and Policy on Board Diversity as adopted by the Company.

Directors' Report (Contd..)

In terms of section 203 of the Companies Act, 2013 following are the Key Managerial Personnel (KMP) of the Company

Mr. Surendra Somani	–	Executive Vice Chairman
Mr. Basant K Soni	–	Chief Financial Officer
Mr. Sunil Sodhani	–	Company Secretary and Compliance Officer
Mr. Kamesh V Bhamidipati	–	Senior Management

No KMP or Senior Management has been appointed or has retired or resigned during the financial year.

Independent Directors of the Company have given declaration that they meet the criteria of independence as laid down under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (LODR) Regulations, 2015 and they have registered their names in the Independent Directors Data Bank. In the opinion of the Board they fulfill the conditions of independence as specified in the Act and rules made thereunder and there has been no change in the circumstances affecting their status as Independent Directors of the Company.

9. Corporate Social Responsibility (CSR)

In compliance with requirements of Section 135 of the Act, the Company has laid down a CSR Policy. The composition of the Committee, contents of CSR Policy and report on CSR activities carried out and amount spent during the financial year ended March 31, 2024 in the format prescribed under the Companies (Corporate Social Responsibility Policy) Rules, 2014 is annexed herewith as **Annexure C**. As per the CSR Rules, the Company is mandated to spend ₹ 54,03,009 towards CSR obligation in the current FY 2023-24. The total CSR spending of the Company during the FY 2023-24 is ₹ 63,93,455 towards the CSR obligation of the current financial year i.e. 2% of the average net profits of the Company made during the immediately three preceding financial years and excess amount of ₹ 9,90,446 spent in current financial year is available for set-off in the succeeding financial years. The CSR policy is available on the Company's website on <http://kopran.com/investors/policy/>

10. Meetings of the Board

The details of the composition of the Board and its Committees and the number of meetings held and the attendance of Directors in such meetings are provided in the Corporate Governance Report as a separate section in **Annexure D** which forms a part of the Annual Report. There have been no instances during the year where the recommendations of the Board Committees were not accepted by the Board.

11. Board and Committee Evaluation

The Board and Committee Evaluation are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act and SEBI Listing Regulations.

The evaluation process consisted of various aspects of the functioning of the Board and its committees, such as composition, experience and competencies, performance of specific duties and obligations, governance issues etc. The Board also carried out the evaluation of the performance of Individual Directors based on criteria such as contribution of the director at the meetings, strategic perspective or inputs regarding the growth and performance of the Company etc. The Directors were evaluated on aspects such as attendance, contribution at Board/Committee Meetings and guidance/support to the Management outside Board/Committee Meetings.

In a separate meeting of independent directors, performance of non-independent directors, the Board as a whole and Chairman of the Company was evaluated, taking into account the views of executive directors and non-executive directors.

Directors' Report (Contd..)

12. Risk Management and Internal Financial Control Systems and their adequacy

The Company has framed and implemented a Risk Management Policy in terms of the provisions of Regulation 17 of the SEBI Listing Regulations, for the assessment and minimization of risk, including identification therein of elements of risk, if any, which may threaten the existence of the Company.

The Board has adopted policies and procedures for ensuring the orderly and efficient conduct of its Business & risk management including adherence to the Company's Policies, the safeguarding of its Assets, the prevention and detection of frauds and errors, the accuracy and the completeness of the accounting records and timely preparation of reliable financial disclosure and other regulatory and statutory compliances and there was no instance of fraud during the year under review.

More details on risks and threats have been disclosed hereinabove, as part of the Management Discussion and Analysis. Further, in view of the increasing size and complexity of the business operations, the Company is exposed to various risks emanating from frauds.

13. Related Party Transactions

In line with the requirements of the Act and the Listing Regulations, the Company has formulated a Policy on Related Party Transactions and the same can be accessed using the following link <http://kopran.com/investors/policy/>

Related party transactions that were entered into during the financial year were on arm's length basis and were in ordinary course of business. There are no materially significant related party transactions made by the Company which may have potential conflict with the interest of the Company. There is no material related party transactions which are not in ordinary course of business or which are not on arm's length basis and hence there is no information to be provided as required under Section 134(3)(h) of the Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014. Suitable disclosure on related party transactions as required by the Indian Accounting Standard has been made in the notes to Financial Statement.

14. Report on Corporate Governance

The Report on Corporate Governance as required under Regulation 34 read with Schedule V of the SEBI Listing Regulations, 2015, forms part of this Annual Report. The requisite certificate from Ms. Mayuri Thakkar, Practicing Company Secretary (Membership No. F12337, COP No. 26189), provided in **Annexure D**, confirming compliance with the conditions of Corporate Governance as stipulated under the aforesaid Schedule V is attached to the Report on Corporate Governance.

The Company has devised proper systems to ensure compliance with the provisions of all applicable Secretarial Standards issued by the Institute of Company Secretaries of India and that such systems are operating effectively and adequately.

15. Loans, Guarantee or Investments

Particulars of loans given, investments made, guarantees given and securities provided along with the purpose for which the loan or guarantee or security is proposed to be utilized by the recipient are provided in the Notes to the Financial Statements forming part of the Annual Report.

16. Auditors

a) Statutory Auditors

In compliance with the Companies (Audit and Auditors) Rules, 2014 M/s. Khandelwal Jain & Co. Chartered Accountants (Firm Registration No. 105049W) were appointed as Statutory Auditors of the Company for a period of five consecutive years from the conclusion of 63rd AGM to the conclusion of 68th AGM. The payments made to Auditors are given in the Report on Corporate Governance provided in **Annexure D**.

Further, the report of the Statutory Auditors along with notes to Schedules is a part of the Annual Report. There has been no qualification, reservation, adverse remark or disclaimer given by the Auditors in their Report.

The notes to the financial statements are self-explanatory and do not call for any further comments.

Directors' Report (Contd..)

b) Secretarial Auditors

Pursuant to Regulation 24A of the SEBI (LODR) Regulations, 2015 as amended, Ms. Mayuri Thakkar, Practicing Company Secretary (Membership No. F12337, COP No. 26189) were appointed as Secretarial Auditors of the Company for the financial year 2023-24. Ms. Mayuri Thakkar, Practicing Company Secretary has issued the Secretarial Audit Report for financial year 2023-24 for the Company and its Subsidiary Kopran Research Laboratories Limited, given in **Annexure E (i) & E (ii)** respectively. Secretarial Audit Report(s) for the financial year ended March 31, 2024 do not contain any qualification, reservation or adverse remark.

The Board has appointed M/s Smita Prabhu & Associates Practicing Company Secretary having Membership No. F8337; COP No. 10859, Peer Review Certificate no. 1536/2021 as Secretarial Auditors for the financial year 2024-25.

17. Directors Responsibility Statement

Pursuant to Section 134 (3) (c) and 134 (5) of the Companies Act, 2013, the Board of Directors, to the best of their knowledge and ability, confirm that:

- i. In preparation of the annual accounts for the financial year ended March 31, 2024, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- ii. They have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give true and fair view of the state of affairs of the Company at the end of the financial year as on March 31, 2024 and of the profit of the Company for that period;
- iii. They have taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv. They have prepared the Annual Accounts on a going concern basis;
- v. They have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- vi. They have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

18. Extracts of Annual Return

Pursuant to Section 92 of the Act and Rule 12 of the Companies (Management and Administration) Rules, 2014, the Annual Return is available on the website of the Company on the following link: <http://kopran.com/investors/communication/>

19. Conservation of Energy, Technology Absorption & Foreign Exchange Earnings and Outgo

The information on conservation of energy, technology absorption and foreign exchange earnings and outgo stipulated under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Rules, 2014 is attached as **Annexure F**.

20. Particulars of Employees and Remuneration

Disclosures pertaining to remuneration and other details required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2016 is annexed herewith as **Annexure G**. Any Shareholder interested in obtaining the information required under Rule 5(2) and (3) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 may write to the Company Secretary at investors@kopran.com

21. Business Responsibility and Sustainability Report

Business Responsibility and Sustainability Report as required under Regulation 34(2)(f) of the SEBI Listing Regulations, 2015, duly approved by the Board of Directors, forms part of this Annual Report and is annexed herewith as **Annexure H**. The same is also disclosed on the Company's website: <https://www.kopran.com/investors/financials/>

Directors' Report (Contd..)

22. Compliance with Secretarial Standards

During the year under review, the Company has complied with Secretarial Standards 1 and 2, issued by the Institute of Company Secretaries of India.

23. Vigil Mechanism

Pursuant to the provisions of Section 177(9) and (10) of the Companies Act, 2013 and Regulation 22 of SEBI (LODR) Regulations, 2015, the Company has adopted a Vigil Mechanism or 'Whistle Blower Policy' for directors, employees and all stakeholders to report any concerns about unethical behaviour, actual or suspected fraud or violation of Company's Code of Conduct. The same is also disclosed on company's website: <http://www.kopran.com/investors/policy/pdf/Whistle%20Blower%20Policy.pdf>. It is affirmed that no personnel or stakeholder of the Company have been denied access to Audit Committee.

24. Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

The Company is committed to create and maintain an environment in which employees can work together without fear of sexual harassment, exploitation or intimidation. A Complaint Redressal Committee has been set up by the Company to redress complaints received regarding sexual harassment. All employees (permanent, contractual, temporary, trainees) are covered under this policy. During the Financial Year 2023-24, no Complaints were received.

25. Other Disclosures/Reporting

The Directors further states that during the year under review:

- a) There are no pecuniary relationship or transactions of the Non-Executive Directors vis-à-vis the Company.
- b) No amount is transferred to General Reserve;
- c) The Company has not accepted any deposits from the public and as such, there are no outstanding deposits in terms of the Companies (Acceptance of Deposits) Rules, 2014.
- d) There were no significant/material orders passed by the Regulators or Courts or Tribunals impacting going concern status of the Company and its operations in future.
- e) There was no change in nature of Business. There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which this Financial Statement relate and the date of this Report.

26. Acknowledgements

The Directors wish to place on record their appreciation for the continued support and co-operation by Shareholders, Bankers, Customers, Business Partners and Employees of the Company.

Management Discussion and Analysis

Economy

Global economy

In CY 2023, the global economy demonstrated remarkable resilience as it steadily recovered from previous uncertainties including disrupted supply chains, increased inflation level, tight monetary policies, geopolitical concerns and subdued global economic activities. The year under review recorded the global economy grew by 3.3%, with emerging market and developing economies (EMDEs) achieving a growth rate of 4.3% while advanced economies grew by 1.6%. Additionally, the inflation level declined from its peak in CY 2022 to 6.8% in CY 2023, primarily driven by rigid monetary policies undertaken by the central banks and subsequent reduction in the commodity prices.

Outlook

The global economy is expected to maintain its growth rate at 3.2% in both CY 2024 and CY 2025, facilitated by increasing global economic activities in the coming years. Moreover, global inflation is projected to decline to 5.9% in CY 2024. As global inflation level approaches its target, central banks worldwide are expected to ease monetary policies. Furthermore, with major economies conducting their general elections in CY 2024, it is expected to define the path for global economy through significant changes in policies and programmes.

Indian economy

Despite a sluggish global economy, the Indian economy maintained its position as one of the fastest growing major economies, achieving a growth rate of 8.2% in FY 2024¹. Additionally, the inflation level was anchored at 5.4%, propelling private consumption. This robust performance can be primarily attributed to strong support from the Indian Government, along with effective and timely measures implemented by the Reserve Bank of India (RBI).

Owing to strategic initiatives by the Government, India has established itself as a favorable business destination. This further facilitated a resilient inflow of foreign direct investment (FDI) at USD 71.0 billion in FY 2024². Moreover, India's presidency at the G20 summit had further helped the country to attract foreign investors in the reported year.

Additionally, various economic sectors experienced growth in the year under review, especially the manufacturing sector growing by 9.9%³, owing to initiatives such as Make in India and China+1 strategy. Along with this, the growth in other economic sectors such as chemical and healthcare also remained positive, exhibiting positive momentum in the reported year.

With the aim to develop India as an advanced economy, the Indian Government is focused on building sustainable healthcare infrastructure. Therefore, the budget allocation by the Department of Health and Family Welfare of the Government of India increased from ₹ 83,000 crore in FY 2023 to ₹ 89,155 crore in FY 2024⁴.

(To The Directors' Report)

Outlook

The Indian economy is projected to maintain its positive growth trajectory in the coming years. With the Indian Government is planning to make India the manufacturing hub of the world, the manufacturing sector is poised for growth in the coming years. The Government of India is drafting policies to support this targeted growth, incentivising new companies to focus on manufacturing. The Interim Budget 2024-25 revealed several initiatives in the support of the growth of the manufacturing sector. With corporate tax reduced for some new companies, the growth of the manufacturing industry is anticipated to contribute significantly to the Indian economy growth.

Looking forward, the Indian economy is expected to achieve a growth rate of 7.0% in FY 2025. Overall, the outlook for the Indian economy remains optimistic, owing to robust financial and corporate sectors in the economy. According to the International Monetary Fund (IMF), the economy is expected to surpass Japan and Germany and become the world's third-largest economy by 2027.

Industry

Indian pharmaceutical industry

Coined as the 'pharmacy of the world', the Indian pharmaceutical industry is the third-largest industry in terms of volume and ranks at thirteen in terms of value. Comprising 3000 drug companies and 10500 manufacturing units in the reported year, the industry produces more than 6000 generic drugs across 60 therapeutic areas. Leveraging a rich foundation of science and technology, the domestic industry has emerged as the global leader in research and development.

In FY 2024, the Indian drug and pharmaceutical export exhibited substantial growth of 9.67% and attained a market size of USD 27.9 billion . Apart from exporting to the US, the UK, South Africa and Brazil, Indian pharmaceutical exports have also entered new regions including Montenegro, Chad, Sweden and Ireland. With the Indian pharmaceutical industry increasing its global footprint, it is helping the industry to develop a larger consumer base and diversify its revenue-generating sources.

Furthermore, the industry significantly benefitted from the support provided by the Indian Government through initiatives such as allowing 100% FDI through automatic routes under the greenfield pharmaceutical projects. These initiatives strengthened the pharmaceutical infrastructure and supported the development of the domestic industry.

Active pharmaceutical ingredient industry (API)

The Indian API industry is globally recognised for its advanced technologies and adopted processes. Owing to a skilled workforce, rigid quality standards, strong manufacturing processes and a developed chemical industry, the industry enjoys competitive advantages over its international peers.

Furthermore, the Indian API market is highly fragmented with a number of manufacturers catering to the evolving market demand. With industry players focusing on increasing their ability to provide affordable healthcare services, it has further facilitated industry growth by creating a demand for cheaper API.

Annexure A (Contd..)

(To The Directors' Report)

Growth enablers

- With a visible rise in life expectancy, it has resulted in a growing geriatric population in India, creating a demand for pharmaceutical products.
- As lifestyle and dietary habits changed, it impacted human health causing a rise in chronic diseases. This has significantly increased the requirement for long-term medications.
- A surge in disposable income has enabled the middle-economic class to access private healthcare facilities, propelling the growth of the industry substantially.
- With the Indian government focusing on strengthening the manufacturing capabilities of the country and other nations seeking an alternative to China, these have significantly contributed to the growth of the domestic industry.

Opportunity

- The adoption of advanced technologies such as artificial intelligence (AI) has a strong potential to enhance the productivity of the industry. It will not only improve productivity but also effectively contribute to cost optimisation.
- Strengthening partnerships with various research institutes and global pharmaceutical companies will facilitate the transfer of skills, technologies and ideas, providing opportunities to support holistic growth in the industry.
- The burgeoning population is anticipated to play a crucial role in creating a robust demand for pharmaceutical products among the patients.

Government initiative

The sustained growth in the Indian pharmaceutical industry can be significantly propelled by the relentless initiatives undertaken by the Indian Government. Through Vision Pharma 2047, the Indian Government aims to become a Vishwaguru in terms of research and innovation to facilitate the sustainable delivery of healthcare products to the future generation.

In addition to this, the Government of India aims to make India a global leader in manufacturing affordable, innovative pharmaceuticals that adhere to the quality standards of the industry.

The National Pharmaceutical Policy (2023), drafted in alignment with Vision 2047, is a comprehensive framework for the industry to address the challenges in the industry. This draft policy comprises advancing health equity and accessibility, nurturing global pharmaceutical leadership, promoting self-reliance, attracting investments into the industry and enhancing the regulatory efficiency in the Indian pharmaceutical industry.

Other key initiatives undertaken by the Indian Government to support the growth of the Indian pharmaceutical industry⁶

Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP)

The PMBJP was a flagship scheme that focused on providing quality medicines and surgical items at affordable prices, reducing out-of-pocket expenditure of the patients and increasing the usage of generic medicines among the masses.

Production Linked Incentive (PLI)

The PLI scheme of the pharmaceutical focused on enhancing India's manufacturing capabilities by increasing investment and production in the pharmaceutical sector.

Strengthening of pharmaceutical industry (SPI)

Introduced in FY 2022, "Strengthening of Pharmaceutical Industry" (SPI) implemented by the Department of Pharmaceutical is expected to continue until FY 2026, extending support and enhancing productivity of the existing pharma clusters.

Annexure A (Contd..)

(To The Directors' Report)

Outlook

Moving ahead, the industry is poised for robust growth in the coming years. The industry is anticipated to grow multifold in terms of value. Further, the domestic pharmaceuticals are anticipated to surpass a market size of USD 130 billion by 2030⁷, driven by rapid expansion, favourable market opportunities and increased demand for pharmaceutical products in the international markets. In addition to this, the Indian API market in India is expected to grow significantly, owing to the increased presence of various medium-sized to large API producers and consistent support from the Indian Government.

Company overview

Established in 1958, Kopran Limited (Kopran) is the group Company of Parijat enterprise. A prominent Indian pharmaceutical Company, Kopran has carved a niche in the market through manufacturing and marketing of pharmaceutical formulations and active pharmaceutical ingredients (APIs). The Company operates in two distinct business verticals. While pharmaceutical formulations production is managed by Kopran Limited, the manufacturing of API is operated under Kopran Research Laboratories Limited (KRLL). The Company takes pride in building manufacturing units that have gained accreditation from international bodies. In addition to this, the Company's research and development division comprises a team of experienced scientists who have accelerated the growth of the Company.

Product portfolio

Formulation

Kopran has a wide range of formulations which are largely used in various medical conditions. The Company specialises in developing and manufacturing Penicillin and non-penicillin-based drugs. Leveraging cutting-edge technology, the Company manufactures high-quality finished dosage drugs that adhere to international requirements. In FY 2024, the total revenue earned from the formulation business was ₹ 27,856 lakh. The formulations are exported to both regulatory and non-regulatory regions.

Outlook

The focus of the Company remains to initiate new formulation products for the regulated market. The development of new products aims to integrate new molecules that are also manufactured and developed in the API business of the Company.

Active pharmaceutical ingredient

Kopran is one of the key contributors in the manufacturing and sale of diverse active pharmaceutical ingredients and advanced intermediates. The range of APIs manufactured by the Company includes Sterile Cephalosporins and Carbapenems. The Company's in-house research team puts a prime focus on providing high-quality APIs to ensure safety and efficacy of the resulting drugs. In addition to this, the Company is certified with sustainable and drug master files for its APIs, further reflecting the Company's commitment to providing quality products.

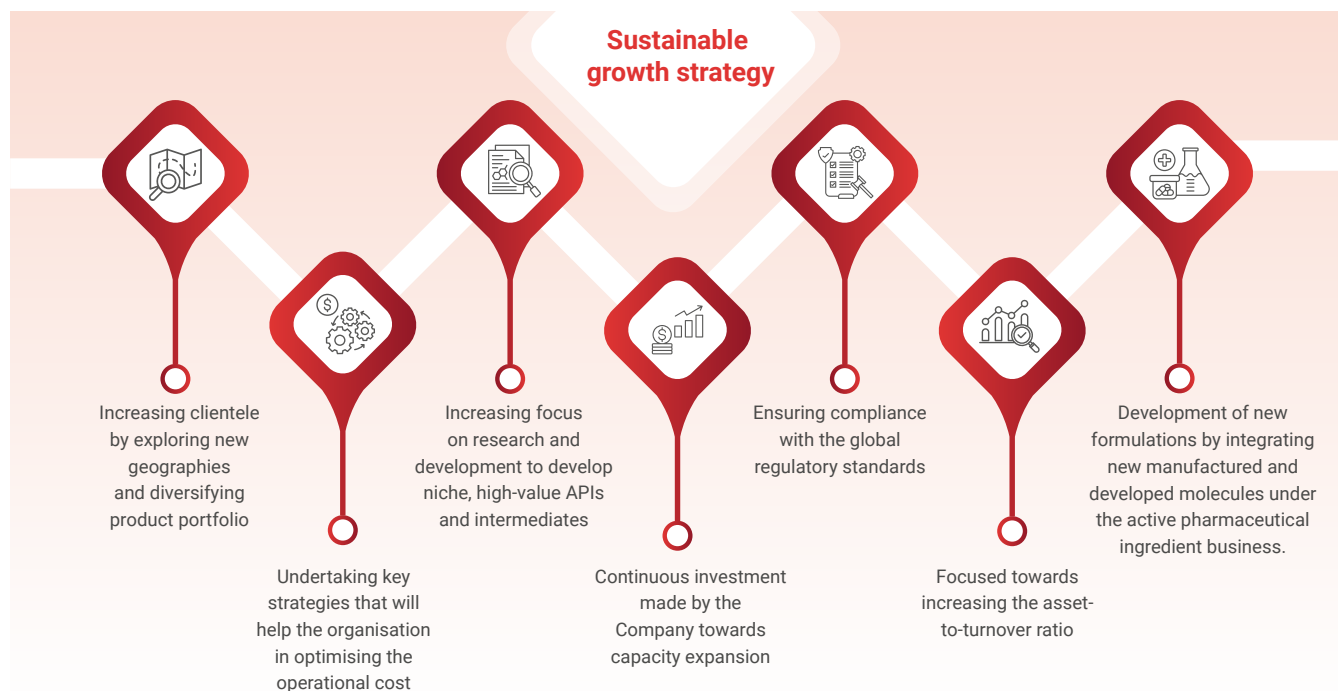

Outlook

The outlook for the growth of the API of Kopran remains positive. The Company's API plant at Panoli is anticipated to strategically benefit Kopran in its sustainable growth and is expected to commence production at the End of Q3 FY 2025. Also, it has received Environmental Clearance from the Government of India for the manufacturing of APIs and intermediaries.

Risk management and concerns

Kopran has an established Risk Management Policy that identifies and assesses probable risk to minimise its impact on the Company's operations and its profitability.

Risks	Risk description	Mitigation
Regulatory risk	Sudden changes in the policies and programmes by regulatory bodies can impact the operations of Kopran. Non-compliance to these changes also have the potential to tarnish the Company's image.	The Company abides by all the regulations and policies required for smooth functioning. In addition to this, it ensures adherence to safety and a healthy working environment throughout the organisation.
Raw material risk	Any uncertainties associated with availing key raw materials can affect the productivity and profitability of the Company.	The company is developing KSMs and intermediaries. Further company always have 2-4 suppliers for it's KSMs.
Innovation risk	Kopran is a manufacturer of pharmaceuticals and therefore, it becomes necessary for the Company to remain at the forefront of innovation. Failure to innovate can reduce competitiveness, impacting market share and the Company's ability to outperform its peers.	Kopran consistently invests in advanced technologies and maintains a skilled and experienced R&D team. The Company relentlessly work towards delivering excellence to its consumers. In addition to this, Kopran forms strategic partnerships with global entities to remain informed about new technological advancements.
Competition risk	The Company operates in a competitive environment. This create fierce competition and can impact the market share of Kopran, pricing strategy and the organisation's profitability.	Constant efforts are undertaken to maintain the strong position of the Company in the market. With continuous improvements and implementation of key business strategies, the organisation successfully meets the global standards, gaining a competitive edge over other other players in the market.
Forex risk	The products manufactured are exported to other countries, which exposes the Company to risk arising from changes in the terms of trade and fluctuations in the exchange rate of the respective trading countries.	The Company's established treasury department focuses on minimising the risk arising from fluctuation in the exchange rate through adopting hedging contracts.
Economic risk	Various risks, including fluctuations in foreign exchange rates, interest rates and credit availability can impact the profitability of the Company. Furthermore, as a Company with significant export operations, Kopran is exposed to fluctuations in the exporting markets, affecting financial stability.	The Company is actively hedging its forex exposure to mitigate currency fluctuations. Company constantly monitor economic environment and take remedial measures to mitigate risks.
Logistic risk	Efficient logistic management is essential for the Company's robust growth. Any disruptions in the supply chain can hinder the ability to meet the market demand within time.	Company has very strong logistic division which monitors the situation and take appropriate steps.
Environmental risk	Failure to adhere to the environmental regulations and rules can hinder the reputation of the Company and also impact the ability to generate profit.	Company adheres to stringent environmental norms

Annexure A (Contd..)

(To The Directors' Report)

Quality and concerns

Kopran is focused on upholding the highest international quality standards for its manufactured products. The manufacturing process of the Company strictly adheres to quality control measures set by the global regulatory bodies. The Company have quality and safety management system that focuses on extending safer manufacturing practices along with production of high-quality products.

All the manufacturing plants follow Good Manufacturing Practices (GMP), reflecting the Company's dedication towards ensuring the highest standards of quality, excellence and value. Several regulatory bodies including MHRA UK, TFDA Tanzania, MCC South Africa etc. have approved and recognised the quality standards of the Company's manufacturing units.

Internal control system

The company's internal control system is specifically created to fit its size and nature, encouraging a culture of innovation and continuous improvement. The Audit Committee of the Board frequently assesses the system's efficacy in recording transactions, managing assets, and reporting. A chartered accounting company conducts independent quarterly internal audits to ensure financial reporting accuracy and compliance with regulatory standards. The Audit Committee thoroughly evaluates the reports submitted by the Internal Auditors. Any issues reported by the Internal and Statutory Auditors are carefully addressed and immediately remedied, indicating the Company's strong commitment to high levels of internal control and corporate governance.

Cautionary statement

The forward-looking statements in this report adhere to the relevant securities laws and regulations. The actual results and the company's planned results could differ significantly due to several circumstances. Key factors that may have an impact on the Company's performance include domestic and international economic conditions, as well as changes in government policies, tax laws, and other regulations.

Chief Executive Officer (CEO) & Chief Financial Officer (CFO) Certification

To
The Board of Directors,
Kopran Limited

Dear Member's of the Board,

We the undersigned, Surendra Somani, Executive Vice Chairman and Basant Kumar Soni, Chief Financial Officer of Kopran Limited, to the best of our knowledge and belief, certify that:

- (a) We have reviewed the financial statements and the cash flow statement for the financial year ended March 31, 2024 and to the best of our knowledge and belief, we state that:
 - (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with the existing accounting standards, applicable laws and regulations.
- (b) There are no transactions entered into by the Company during the financial year which are fraudulent, illegal or abuse of the Company's code of conduct.
- (c) We are responsible for establishing and maintaining internal controls and for evaluating the effectiveness of the same over the financial reporting of the Company and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- (d) We have indicated, based on our most recent evaluation, wherever applicable, to the Auditors and Audit Committee:
 - (i) significant changes, if any, in the internal control over financial reporting during the year;
 - (ii) significant changes, if any, in the accounting policies made during the year and that the same has been disclosed in the notes to the financial statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Surendra Somani
Executive Vice Chairman

Annexure 3(a)

CERTIFICATE REGARDING COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE REQUIREMENTS UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To,
The Members,
Kopran Limited
CIN: L24230MH1958PLC011078
Parijat House, 1076,
Dr. E. Moses Road, Worli,
Mumbai - 400018.

I have examined the compliance of the conditions of Corporate Governance procedures implemented by **KOPRAN LIMITED** (the "**Company**") for the financial year ended on March 31, 2024 as per Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "**Listing Regulations**") pursuant to the Listing agreement of the Company with the Stock Exchanges and I have examined the relevant records of the Company in accordance with the Guidance Note on Corporate Governance Certificate issued by The Institute of Company Secretaries of India (the "ICSI").

In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Directors and Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Listing Regulations, as applicable.

The Compliance of the conditions of Corporate Governance is the responsibility of the Management. My examination has been limited to a review of the procedures and implementations thereof, adopted by the Company for ensuring compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Ensuring eligibility for appointment / continuity of every director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Kopran Limited
CIN: L24230MH1958PLC011078
Parijat House, 1076,
Dr. E. Moses Road,
Worli, Mumbai – 400 018

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the **KOPRAN LIMITED** (hereinafter called the “**Company**”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other documents/records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2024**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance - mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2024**, according to the provisions of:

- (i) The Companies Act, 2013 (hereinafter called the “**Act**”) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (hereinafter called the “**SCRA**”) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (hereinafter called the “**SEBI Act**”):

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c) The Securities and Exchange Board of India (Registrars to an issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

Note: During the review period listed Entity obtained in-principle approval from BSE Limited and National Stock Exchange of India Limited for issue and allotment of ESOPs.

- f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **[Not applicable as the Company has not issued and listed any debt securities during the financial year under review]**
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **[Not applicable as the Company has not delisted its equity shares during the period under review]** and
- h) The Securities and Exchange Board of India (Buy back of Securities) Regulations, 1998; **[Not applicable as the Company has not bought back its securities during the period under review];**

Annexure E(i) (Contd..)

(To The Directors' Report)

Other laws applicable specifically to the Company a list of which has been provided by the management namely:

- Drugs and Cosmetics Act, 1940 and Rules made there-under;
- Drugs Price Control Order, 2013;
- National Pharmaceuticals Pricing Policy, 2012;
- The Pharmacy Act, 1948;
- The Narcotic Drugs and Psychotropic Substances Act, 1985;
- The Drugs and Magic Remedies (Objectionable Advertisement) Act, 1954;
- Food Safety and Standards Act, 2006.

The examination and reporting of these laws and rules are limited to whether there are adequate systems and processes are in place to monitor and ensure compliance with the applicable laws.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with respect to Board and General Meetings (SS-1 and SS-2) specified by The Institute of Company Secretaries of India;
- ii. The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited read with The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

Note: During the year under review there was delay in submission of Annual Report with BSE Limited and submission with NSE was done within the time frame and Company paid penalty of ₹ 7,080/-.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors.

Adequate notice was given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period under review, resolutions were carried through majority. As confirmed by the Management, there were no dissenting views expressed by any of the members on any business transacted at the meetings held during the period under review.

I further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the Company has no major events.

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Kopran Research Laboratories Limited
CIN: U24230MH1986PLC040601
Parijat House, 1076,
Dr. E. Moses Road,
Worli, Mumbai – 400 018.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the **KOPRAN RESEARCH LABORATORIES LIMITED** (hereinafter called the "**Company**"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other documents/records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2024**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance - mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2024**, according to the provisions of:

- (i) The Companies Act, 2013 (hereinafter called the "**Act**") and the rules made thereunder;
- (ii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

Other laws applicable specifically to the Company a list of which has been provided by the management namely:

- Drugs and Cosmetics Act, 1940 and Rules made there-under;
- Drugs Price Control Order, 2013;
- National Pharmaceuticals Pricing Policy, 2012;
- The Pharmacy Act, 1948;
- The Narcotic Drugs and Psychotropic Substances Act, 1985;
- The Drugs and Magic Remedies (Objectionable Advertisement) Act, 1954;
- Food Safety and Standards Act, 2006.

The examination and reporting of these laws and rules are limited to whether there are adequate systems and processes are in place to monitor and ensure compliance with the applicable laws.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with respect to Board and General Meetings (SS-1 and SS-2) specified by The Institute of Company Secretaries of India;

Annexure E(ii) (Contd..)

(To The Directors' Report)

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors.

Adequate notice was given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period under review, resolutions were carried through majority. As confirmed by the Management, there were no dissenting views expressed by any of the members on any business transacted at the meetings held during the period under review.

I further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the Company has no major events.

ANNEXURE I

To,
The Members,
Kopran Research Laboratories Limited
CIN: U24230MH1986PLC040601
Parijat House, 1076,
Dr. E. Moses Road,
Worli, Mumbai – 400 018.

MANAGEMENT'S RESPONSIBILITY

1. It is the responsibility of management of the Company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

AUDITOR'S RESPONSIBILITY

2. My responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.

I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I, followed provide reasonable bases for my opinion.

3. I believe that audit evidence and information obtained from the Company's management is adequate and appropriate for me to provide a basis for my opinion. My examination was limited to the verification of procedures on test basis.
4. Wherever required, I have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

DISCLAIMER

5. The Secretarial Audit Report is neither an assurance as to future viability of the Company nor of the efficacy or effectiveness with which the management has conducted affairs of the Company.
6. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
7. My report of even date is to be read along with this letter.

Annexure G

(To The Directors' Report)

Disclosure of Remuneration under Section 197 of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

As per the provision of section 197 of the Companies Act, 2013 read with Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2016 every listed company are required to disclose following information in Board Report.

Ratio of Remuneration of each Director to the median Remuneration of the Employees of the company for the Financial Year.

Name	Ratio to Median = 1
Surendra Somani – Executive Vice Chairman	51.54

Note: All Non-Executive Directors are paid sitting fees and hence not considered for comparison of median remuneration.

Percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any in the Financial Year.

Name	% increase
Surendra Somani – Executive Vice Chairman	62.21%
Basant Kumar Soni – Chief Financial Officer	No change
Sunil Sodhani – Company Secretary & Compliance officer	-7.69%
Percentage increase in the median remuneration of employee in the financial year	6.06%
Number of permanent employees on the Roll of the Company	358
Average percentile increase already made in the Salaries of the employees other than the Managerial Personnel from last Financial Year	9.84 %
Average percentile increase already made in the Salaries of the Managerial Personnel from the last Financial Year	3.24%

Comparison with the percentile increase in the Managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the Managerial remuneration. : The increase in Salaries of the employees other than the Managerial Personnel is higher in comparison to Salaries of the Managerial Personnel from the last Financial Year, hence no justification is required.

We affirm that the Remuneration paid to the Managerial and Non-Managerial Personnel is as per the Remuneration policy of the Company.

On behalf of the Board of Directors

Complaints can be shared directly with the Chairman of the Audit Committee, Mr. Narayan Atal, either through email at: atalnt@yahoo.co.in or via sealed envelopes marked as 'Private and Confidential.'

26. Overview of the Company's material responsible business conduct and sustainability issues pertaining to environment and social matters that present a risk or an opportunity to the business of the Company, rationale for identifying the same approach to adapt or mitigate the risk along with its financial implications, as per the following format:

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	In case of risk, approach to adapt or mitigate
1	Product quality and safety	Risk	Product quality and safety directly impact patient health and regulatory compliance. Failing to meet quality standards can lead to legal liabilities, harm the reputation and pose financial risks, including losses due to product recalls and regulatory penalties.	The Company implements a robust Quality Management System and also adheres to healthy manufacturing practices, which include conducting risk assessments of manufacturing plants, ensuring supplier qualification, providing staff training, conducting thorough product testing, complying with regulations, handling customer feedback and promoting continuous improvement. Further, the company regularly conducts audits through its quality assurance department to verify compliance with its stringent quality requirements.	Negative

Annexure H (Contd..)

(To The Directors' Report)

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	In case of risk, approach to adapt or mitigate
2	Innovation	Opportunity	Innovation allows to create new pharmaceutical products, gain a competitive edge, enter new markets, protect intellectual property, foster collaborations and enhance brand value. Embracing innovation provides the opportunity to achieve growth, market leadership and increased brand value.	Fostering a culture of creativity and embracing new technologies. Encouraging idea generation, collaborating with experts and investing in R&D can drive product development, market expansion and sustainable growth.	Positive
3	Sustainable Supply chain	Risk	Sustainability in the supply chain helps to maintain operation licences, avoid penalties, ensure safety and efficacy, improve traceability and ensure authenticity and integrity. Adhering to sustainable packaging, transportation and storage methods helps prevent contamination, degradation or other quality issues that may impact the effectiveness of pharmaceutical products.	The Company has developed a strong evaluation system to analyse the implications of unforeseen disruptions on the supply chain. Create a comprehensive contingency plan to mitigate potential significant impacts on the business and ensure continued operations.	Negative
4	Regulatory compliance	Risk	Failure to adhere to regulations and standards can lead to severe consequences, including legal action, fines, penalties and potential criminal charges. Regulatory bodies like the FDA or EMA can enforce substantial financial penalties and suspend or revoke licences. Non-compliance with regulatory requirements may also result in product recalls or market withdrawals, limiting market access and opportunities to participate in Government tenders. Ensuring compliance is crucial to maintaining reputation and avoiding financial losses.	The Company is continuously emphasising and establishing its presence in larger markets and also enhancing regulatory capabilities in critical markets through active engagement with regulatory agencies, thereby reducing risks from external factors.	Negative

Annexure H (Contd..)

(To The Directors' Report)

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	In case of risk, approach to adapt or mitigate
5	Environmental performance and climate change	Risk	Pharmaceutical manufacturing processes, energy consumption and transportation contribute to greenhouse gas emissions. Ineffective management of carbon emissions can lead to non-compliance, increased costs and reputational risks. Failure to comply with environmental regulations may result in penalties, fines, litigation and reputational damage. Climate change impacts, such as extreme weather events and shifting disease patterns, can disrupt supply chains, infrastructure and operations. It may also result in tighter regulations and climate policy actions. Developing resilience strategies is vital to ensuring business continuity and product availability. Failing to address environmental concerns can damage the Company's reputation and erode stakeholder trust, impacting market share, customer loyalty and business relationships.	Initiating proactive measures to address physical and transitional risks associated with climate change, such as decarbonising operations, implementing GHG emission reduction strategies and conducting climate risk assessments to safeguard assets from climate impacts.	Negative
6	Investment in R&D	Opportunity	R&D investments lead to the creation of valuable intellectual property, providing market exclusivity and revenue streams. Successful R&D efforts enable regulatory approvals, market entry and expansion into new therapeutic areas, collaborations and partnerships with research organisations that enhance knowledge sharing and accelerate innovation.	Allocating resources and fostering innovation. By focussing on R&D, the Company can develop cutting-edge products and solutions, enhance its competitiveness and capitalise on emerging market demands.	Positive

Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine	P-1	NSE	7080	Delay in filing Annual Report	NA
Settlement			Nil		
Compounding fee					

Annexure H (Contd..)

(To The Directors' Report)

Non-Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment Punishment			Nil		

3. Of the instances disclosed in Question 2 above, details of the Appeal/Revision preferred in cases where monetary or non-monetary action has been appealed.

Case Details	Name of the regulatory/ enforcement agencies/ judicial institutions
	Not Applicable

4. Does the Company have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Yes. The Company's Business Responsibility Policy strictly prohibits corruption among its Directors and employees, emphasizing a commitment to ethical business practices. Additionally, the Company has implemented a 'Code of Conduct' Policy for its Directors, Key Management Personnel (KMPs), and Senior Management, ensuring the highest standards of Corporate Governance.

Web-link of Policies:

- Business Responsibility Policy (<https://www.kopran.com/investors/policy/pdf/Business%20Responsibility%20Policy.pdf>)
- Code of Conduct (<https://www.kopran.com/investors/policy/pdf/CODE%20OF%20CONDUCT.pdf>)

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

Segment	FY2024	FY2023
Directors	Nil	Nil
KMPs		
Employees		
Workers		

6. Details of complaints with regard to conflict of interest

	FY2024		FY2023	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors		During the current financial year and previous year, no complaints were received regarding conflicts of interest involving the Directors or KMPs.		
Number of complaints received in relation to issues of Conflict of Interest of the KMPs				

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflict of interest.

- Not Applicable

8. Number of days of accounts payables ((Accounts payable *365) / Cost of goods/services procured) in the following format:

Annexure H (Contd.)

(To The Directors' Report)

Segment	FY2024	FY2023
Number of days of accounts payables	103	89

9. Open-ness of business Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	FY2024	FY2023
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	11.12%	13.40%
	b. Number of trading houses where purchases are made from	58	84
	c. Purchases from top 10 trading houses as % of total purchases from trading houses	74.63%	60.17%
Concentration of Sales	a. Sales to dealers / distributors as % of total sales	Nil	Nil
	b. Number of dealers / distributors to whom sales are made	Nil	Nil
	c. Sales to top 10 dealers / distributors as % of total sales to dealers / distributors	Nil	Nil
Share of RPTs in	a. Purchases (Purchases with related parties / Total Purchases)	0.24%	1.43%
	b. Sales (Sales to related parties / Total Sales)	Nil	Nil
	c. Loans & advances (Loans & advances given to related parties / Total loans & advances)	Nil	Nil
	d. Investments (Investments in related parties / Total Investments made)	Nil	Nil

Leadership Indicators-

1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

Total number of awareness programmes held	Topics/principles covered under the training	%age of value chain partners covered (by value of business done with such partners) under the awareness programmes
3	1) Health & Hygiene 2) Building management 3) Sexual harassment	100%

2. Does the entity have processes in place to avoid/manage conflict of interests involving members of the Board? (Yes/No) If yes, provide details of the same.

The Company has established policies to mitigate and manage any conflicts of interest that may arise among board members. Should a potential conflict of interest emerge, the concerned individual is obligated to disclose all relevant facts and circumstances to the Board of Directors. Following this disclosure, the Board's approval is mandatory.

Company Code of Conduct Summary

- Applicability: The Code applies to the Board of Directors and Senior Management Team.
- Ethical Standards: Members must uphold the highest ethical conduct and integrity.
- Conflict of Interest: Directors must disclose potential conflicts of interest. Conflicts can arise when:
 - A Director's personal interest is adverse to the company's interests.
 - A Director or their relative gains improper personal benefits due to their position.
- Instances of Conflicts:
 - Directors should not receive personal benefits from entities seeking to do business with the company.
 - Directors should not accept compensation for services performed for the company from non-company sources.
 - Directors should not offer, give or receive gifts intended to influence business decisions.

Annexure H (Contd..)

(To The Directors' Report)

Principle 2: Business should provide goods and services in a manner that is sustainable and safe

Essential Indicator:

- 1 Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of products and processes to total R&D and capex investments made by the entity, respectively.

Segment	FY2024	FY2023	Details of improvements in environmental and social impacts
R & D	Nil	Nil	Not Applicable
Capex	Nil	1.77%	Not Applicable

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

No. While the Company does not directly control every aspect of its value chain, it is committed to promoting sustainability among all its partners. This includes third-party manufacturers, service providers, transporters and raw material suppliers. The Company takes proactive steps to inspire these partners to adopt sustainable practices.

To ensure this, the Company has established vendor management and transport validation procedures. These procedures involve a regular, risk-based validation of sources. Furthermore, the Company has instituted an annual vendor rating system as part of its defined procedures. This system serves as a tool to encourage and monitor the adoption of sustainable practices among its partners.

- b. If yes, what percentage of inputs were sourced sustainably?

Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

(a) Plastics (including packaging)	The Company has devised a strategic action plan in adherence to the Plastic Waste Management Rules of 2016, subject to periodic amendments. As part of this plan, waste management agencies authorized by CPCB have been engaged to fortify the collection, segregation and recycling of plastic waste. This engagement is in partnership with urban local bodies and waste collector communities. The process encompasses a range of activities including waste collection, segregation and establishment of dry waste collection centers, waste disposal mechanisms, recycling and fostering awareness on Plastic Waste Management. Plastic waste is responsibly directed to authorised scrap dealers. E-Waste is handled through reliable local vendors to ensure proper disposal. As a member of Taloja's Hazardous Waste Management, the Company adheres to regulations and carefully assesses requirements before sending hazardous waste for appropriate treatment, which may involve landfill disposal or safe incineration methods.
(b) E-waste	
(c) Hazardous waste	
(d) other waste.	

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Yes. The Company conscientiously recognizes and adheres to the Extended Producer Responsibility (EPR) guidelines. The waste collection strategy of the Company is designed in alignment with the EPR action plan. The Company diligently abides by the established norms for plastic packaging and the pertinent statutory regulations. Moreover, the Company ensures that the generation of solid waste and effluents is confined within the boundaries set by the Central Pollution Control Board (CPCB) or State Pollution Control Board (SPCB). The management of expired drugs and pharmaceutical waste is executed in strict compliance with the regulations and guidelines stipulated by the relevant regulatory authorities, such as the Food and Drug Administration (FDA) and is managed through the distributor channel.

Annexure H (Contd..)

(To The Directors' Report)

Leadership Indicators –

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product / Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No) If yes, provide the web-link.
N.A.					

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product / Service	Description of the risk / concern	Action Taken
N.A.		

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY2024	FY2023
N.A.		

4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:

	FY2024			FY2023		
	Re-used	Recycled	Safely Disposed	Re-used	Recycled	Safely Disposed
Plastics (including packaging)						
E-waste						
Hazardous waste						
Other waste						
Battery waste						
Bio-medical waste						
N.A.						

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category.

Indicate product category	Reclaimed products and their packaging materials as % of total products sold in respective category
N.A.	

Annexure H (Contd..)

(To The Directors' Report)

Principle 3: Business should respect and promote the wellbeing of all employees, including those in their value chains

Annexure H (Contd.)

(To The Directors' Report)

3. Accessibility of workplaces

Are the premises/offices of the Company accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the Company in this regard.

The Company has undertaken initiatives to ensure an accessible environment for employees and workers with disabilities. The infrastructure of the Company's offices and plants is equipped with elevators and doors that are friendly to the disabled, in compliance with the Right to Persons with Disabilities Act, 2016. Furthermore, the Company is actively working towards the incorporation of additional accessibility features such as ramps, braille signage and wheelchairs to augment the ease of access within its premises.

4. Does the Company have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

The Company's Business Responsibility Policy is committed to equality. It guarantees equal opportunities for all individuals, irrespective of their caste, creed, gender, race, religion, disability or sexual orientation. This pledge of equality is not confined to the recruitment phase but is a constant throughout the tenure of employment.

Web-link to the policy: <https://www.kopran.com/investors/policy/pdf/Business%20Responsibility%20Policy.pdf>

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Gender	Permanent Employees		Permanent Workers	
	Return to work rate	Retention Rate	Return to work rate	Retention Rate
Male	0%	0%	0%	0%
Female	100%	100%	100%	100%
Total	100%	100%	100%	100%

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

	Yes/No (If yes, then give details of the mechanism in brief)
Permanent workers	The Human Resource department of the Company stands ready to address employee concerns. A system, both transparent and structured, is deeply ingrained within the Company's framework. This system is designed to effectively acknowledge and resolve grievances from employees and workers spanning all categories. The existence of this comprehensive mechanism is a testament to the Company's dedication to maintaining a fair and supportive work environment. The Company's objective, through this system, is to address any grievances that may surface promptly and fairly. This approach cultivates a sense of trust, satisfaction and wellbeing within the workforce, reinforcing the Company's commitment to its employees.
Other than permanent workers	
Permanent employees Other than permanent employees	

7. Membership of employees and workers in association(s) or Unions recognised by the listed entity:

Female	0	0	0%			
Total	231	12	5.19%			

*Considered permanent employees and workers

10. Health and Safety Management System:

- a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Yes. The Company holds the well-being of its employees and stakeholders in the highest regard, with a strong emphasis on health and safety. The Company adheres to stringent standards to guarantee safe and sanitary working conditions at all its locations. This commitment encompasses the upkeep of clean, well-illuminated facilities, the provision of sanitary washrooms, the availability of wholesome food and clean drinking water, the installation of fire safety systems and the supply of first aid kits. By proactively implementing health and safety measures, the Company underscores its unwavering commitment to its most precious resource - its employees and workforce.

Annexure H (Contd..)

(To The Directors' Report)

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

Yes. The Company adopts a thorough approach to pinpoint work-related hazards and evaluate risks, both in regular and exceptional circumstances. Regular safety inspections and training sessions are orchestrated for all employees to boost awareness. The Company has established Standard Operating Procedures (SOPs) to systematically identify hazards and evaluate risks. For processes deemed critical and hazardous, the Company initiated specialised procedures such as Hazard and Operability (HAZOP) and Hazard Identification and Risk Assessment (HIRA). These measures are designed to uphold the highest safety standards and effectively mitigate any potential risks.

c. Whether you have processes for workers to report work related hazards and to remove themselves from such risks. (Y/N)

Yes. The Company has instituted a solid process enabling workers to report occupational hazards and safeguard themselves from potential risks. A Central Safety Committee (CSC), specifically appointed, is tasked with the receipt and evaluation of reports concerning unsafe practices and conditions. This committee guarantees prompt actions to confront and alleviate any detected hazards, thereby cultivating a safer work environment for all employees.

d. Do the employees/ workers of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Yes. The Company provides a thorough Medclaim plan via ICICI Lombard, guaranteeing that employees possess the requisite coverage for their healthcare requirements extending beyond occupational concerns.

11. Details of safety related incidents, in the following format:

Safety Incident /Number	Category	FY2024	FY2023
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	NA	NA
	Workers	NIL	0.00082
Total recordable work-related injuries	Employees	7	NA
	Workers	5	0
No. of fatalities	Employees	0	NA
	Workers	0	1
High consequence work-related injury or ill-health (excluding fatalities)	Employees	NA	NA
	Workers	NA	NA

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

The Company's Business Responsibility Policy prioritizes the creation of a secure and health-conscious environment, placing significant emphasis on the well-being of employees. The Company orchestrates yearly health examinations and imparts consistent training to augment the employees' cognizance and proficiency in managing potential risks, thereby cultivating an atmosphere of safety and protection.

13. Number of Complaints on the following made by employees and workers:

Benefits	FY2024			FY2023		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Working Conditions Health & Safety		Nil			Nil	

14. Assessments for the year:

	% of plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices Working Conditions	100%

Annexure H (Contd..)

(To The Directors' Report)

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

Within the Company, each incident related to safety undergoes a comprehensive examination. Suitable Corrective and Preventive Actions (CAPA) are then instituted to tackle the fundamental causes and avert any repetition of such incidents.

Leadership Indicators

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).

Employee: Yes

Workers: Yes

2. Provide the measures undertaken by the entity to ensure payment of statutory dues by the value chain partners.

The Company ensures that all agreements and contracts established with its value chain partners incorporate clauses that mandate the deduction and deposit of statutory dues.

3. Provide the number of employees/workers having suffered grave consequences due to work-related injury/ill-health/fatalities (as reported in Q11 of Essential Indicators above), who are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

	Total No. of affected employees/workers		No. of employees/workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment	
	FY2024	FY2023	FY2024	FY2023
Employees	NIL	NIL	NIL	NIL
Workers	NIL	NIL	NIL	NIL

4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No)

No

5. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	80%
Working Conditions	75%

6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.

No significant risks/concerns are observed.

Principle 4: Business should respect the interests of and be responsive to all its stakeholders

Essential indicators

1. Describe the processes for identifying key stakeholder groups of the Company.

Stakeholders hold a pivotal role in the Company's pursuit of both financial and non-financial organizational objectives. The Company places equal importance on internal and external stakeholders, striving to maintain consistent communication through various channels. This interaction facilitates a deeper understanding of stakeholder queries, concerns, expectations and the Company's responsibilities towards them. The Company recognizes its key stakeholder groups as shareholders, employees, patients, healthcare professionals, suppliers, regulators and the community.

Annexure H (Contd.)

(To The Directors' Report)

2. List stakeholder groups identified as key for the Company and the frequency of engagement with each stakeholder group.

Stakeholder Group	Whether identified as vulnerable & marginalised group (Yes/No)	Channels of communication (Emails, SMS, Newspapers, Pamphlets, Advertisements, Community Meetings, Notice Board, Website, Others)	Frequency of engagement (Annually, Half yearly, quarterly /others- please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement

(To The Directors' Report)

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

Management within the Company maintains regular interaction with key stakeholders. A variety of mechanisms are utilized to analyse, plan, and execute tasks that engage stakeholders. This process facilitates the conversion of stakeholder needs into organizational objectives, forming the foundation for effective strategy development.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, the Company identifies and prioritizes significant issues pertaining to environmental, social, economic and governance topics through stakeholder consultation. These identified issues are subsequently associated with corresponding risks. As an integral component of the risk management plan, the Company formulates strategies and develops action plans to mitigate the identified risks.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.

The Company's Corporate Social Responsibility (CSR) initiatives are primarily targeted towards the underprivileged, vulnerable and marginalized sections of society. The Company's CSR mandate emphasizes key areas such as education, gender equality, women empowerment and addressing issues of hunger, poverty, nutrition and health.

Principle 5: Business should respect and promote human rights

Other than Permanent										
Male	308	Nil	NA	308	100	423	15	4%	310	73
Female	N.A.					15	3	20%	12	80

3. Details of remuneration/salary/wages, in the following format:

a. The details are provided below:

Gender	Male		Female	
	Number	Median remuneration/salary/wages of respective category	Number	Median remuneration/salary/wages of respective category
Board of Directors (BoD)	2	1,39,13,500	0	0
Key Managerial Personnel (KMP)	2	18,24,000	2	6,68,000
Employees other than BoD and KMP	529	3,72,198	76	4,51,005
Workers	231	4,78,620	0	0

b. Gross wages paid to females as % of total wages paid by the entity, in the following format:

	FY2024	FY2023
Gross wages paid to females as % of total wages	NA	NA

Note: The Company provided wages to workers. As there are no female workers currently on staff, the category has been marked as 'Not Applicable'.

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, The Head of the Human Resources Department within the Company holds the responsibility for addressing any impacts or issues related to human rights that the business operations may cause or contribute to.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Upholding ethical conduct across all operations and throughout its value chain is a commitment that the Company steadfastly maintains. The Company takes an active role in assessing risks associated with human rights by meticulously examining feedback and grievances from its stakeholders. The onus of managing and addressing any impacts or issues pertaining to human rights, which may surface due to the activities of the Company, is entrusted to the Head of the Human Resources Department.

6. Number of Complaints on the following made by employees and workers:

The details are provided below:

Annexure H (Contd..)

(To The Directors' Report)

	FY2024			FY2023		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Sexual Harassment						
Discrimination at workplace						
Child Labour						
Forced Labour/Involuntary Labour						
Wages						
Other Human rights related issues						

7. **Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:**

	FY2024	FY2023
Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)		Nil
Complaints on POSH as a % of female employees / workers		
Complaints on POSH upheld		

8. **Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.**

The Company places a high priority on promoting a workplace environment that is avoid of discrimination and harassment, thereby ensuring the safety and well-being of every employee. An Internal Committee has been instituted by the Company to address any grievances related to sexual harassment. This committee's registration with the District Collector Office underscores the Company's commitment to transparency and regulatory compliance. The Company's Business Responsibility Policy further accentuates its commitment to a discrimination-free workplace, offering protection to all employees, irrespective of their employment status, be it permanent, contractual, temporary or trainee.

9. **Do human rights requirements form part of your business agreements and contracts? (Yes/No)**

No

10. **Assessment for the year:**

	% of the Company's plants and offices that were assessed (by the Company or statutory authorities or third parties)
Child Labour	
Forced Labour/Involuntary Labour	
Sexual Harassment	
Discrimination at workplace	
Wages	
Other- please specify	Nil

Annexure H (Contd..)

(To The Directors' Report)

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

Nil

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.

- Nil

2. Details of the scope and coverage of any Human rights due diligence conducted.

- Nil

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Yes, The Company's premises, including corporate offices and plants, are designed to be inclusive and accessible for all employees, workers, and visitors, regardless of their physical abilities. Essential infrastructure such as ramps, sidewalks and elevators are installed across all locations to facilitate mobility for those with different abilities. Furthermore, the Company has strategically placed sign-boards throughout its premises to aid individuals who utilize hearing aids.

4. Details on assessment of value chain partners

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	Nil
Discrimination at workplace	
Child Labour	
Forced Labour/Involuntary Labour	
Wages	
Others – please specify	

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

- Not Applicable

Annexure H (Contd.)

(To The Directors' Report)

Principle 6: Business should respect and make efforts to protect and restore the environment.

Essential indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY2024	FY2023
From renewable sources		
Total electricity consumption (A)	-	-
Total fuel consumption (B)	-	-
Energy consumption through other sources (C) (Steam generation through Briquettes) (Steam generation through FO)	86,008.11	97,151.00
Total energy consumed from renewable sources (A+B+C)	86,008.11	97,151.00
From non-renewable sources		
Total electricity consumption (D)	46,415.95	53,137.00
Total fuel consumption (E) (Petrol, Diesel)	1,904.00	5,802.00
Energy consumption through other sources (F) (Steam generation through Black Coal)	-	15,949.00
Total energy consumed from non-renewable sources (D+E+F)	48,319.95	74,888.00
Total energy consumed (A+B+C+D+E+F)	1,34,328.00	1,72,039.00
Energy intensity per rupee of turnover (Total energy consumed / Revenue from operations in Lakh)	2.18	3.11
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed / Revenue from operations adjusted for PPP)	50.00	71.17
Energy intensity in terms of physical output	0.31	0.38
Energy intensity (optional) – the relevant metric may be selected by the entity	N.A.	N.A.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

- No

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

No. The PAT Scheme is not applicable to the Company as it is a part of the pharmaceutical sector.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY2024	FY2023
Water withdrawal by source (in kilolitres)		
(i) Surface water	98,200	97,002
(ii) Groundwater	35,400	29,200
(iii) Third party water	928	915
(iv) Seawater / desalinated water	Nil	Nil
(v) Others	Nil	Nil
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	1,34,528	1,27,117
Total volume of water consumption (in kilolitres)	1,34,528	1,27,117
Water intensity per rupee of turnover (Total water consumption / Revenue from operations)	2.19	2.29
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption / Revenue from operations adjusted for PPP)	50.12	52.39
Water intensity in terms of physical output	0.31	0.28
Water intensity (optional) – the relevant metric may be selected by the entity	N.A.	N.A.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

- No

Annexure H (Contd..)

(To The Directors' Report)

4. Provide the following details related to water discharged:

Parameter	FY2024	FY2023
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water	360	289
- No treatment	NIL	NIL
- With treatment – please specify level of treatment	360	289
(ii) To Groundwater	36,500	160
- No treatment	NIL	NIL
- With treatment – please specify level of treatment	36,500	160
(iii) To Seawater	NA	NA
- No treatment	NA	NA
- With treatment – please specify level of treatment	NA	NA
(iv) Sent to third-parties	NA	NA
- No treatment	NA	NA
- With treatment – please specify level of treatment	NA	NA
(v) Others	NA	NA
- No treatment	NA	NA
- With treatment – please specify level of treatment	NA	NA
Total water discharged (in kilolitres)	36,860	449

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

- No

5. Has the Company implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

The Company holds memberships in esteemed organizations such as CTP, MMA-CTP, and PETL. As part of its commitment to environmental stewardship, the Company has established an Effluent Treatment Plant (ETP) for the treatment of wastewater. At present, Zero Liquid Discharge (ZLD) has not been achieved at any of the Company's sites. However, the Company is promoting eco-friendly practices and actively working towards the implementation of ZLD.

6. Please provide details of air emissions (other than GHG emissions) by the Company, in the following format:

Parameter	Unit	FY2024	FY2023
NOx	ug/m ³	31.8	32.4
SOx	ug/m ³	36.7	37.8
Particulate matter (PM)	ug/m ³	58.8	61.5
Persistent organic pollutants (POP)		N.A.	
Volatile organic compounds (VOC)			
Hazardous air pollutants (HAP)			
Others – please specify Mercury, Cadmium, Chromium etc.			

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

- No

7. Provide details of greenhouse gas emissions (Scope1 and Scope 2 emissions) & its intensity, in the following format:

The details are provided below:

Parameter	Unit	FY2024	FY2023
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	14,222	16,744
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	8460	12,103

Annexure H (Contd.)

(To The Directors' Report)

Parameter	Unit	FY2024	FY2023
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)	Metric tonnes of CO2 equivalent/Turnover in Crore	0.48	0.52
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)	Metric tonnes of CO2 equivalent/Turnover in Crore	10.98	11.89
Total Scope 1 and Scope 2 emission intensity in terms of physical output	Metric tonnes of CO2 equivalent/Kg	0.053	0.06
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	NA	NA	NA

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

- No

8. Does the Company have any project related to reducing Green House Gas emission? If yes, then provide details.

- Energy Efficiency Measures:** The Company has implemented eco-friendly atomisation to enhance resource efficiency and manufacturing sustainability, which results in reduced energy consumption and waste generation. A power factor panel of 350 KVAR has been installed to diminish harmonics and maintain a power factor of 0.998 in the utility. The Company has replaced 40W fluorescent lights with energy-efficient 20W LED fixtures (110 nos.) in the PM warehouse and service floor. Voltage stabilisers (20 kVA and 15 kVA) have been put in place to minimise power consumption by maintaining a constant voltage of 210V to 255V. The Company controls emissions within limits, collaborates with regulators, and optimises natural resource usage. Lower energy consumption sludge dewatering systems have been installed to replace the conventional filter press with an air compressor. VFDs have been installed for various equipment like the reactor, AHUs, and multimill. A VFD-based chilling plant has been installed to reduce specific power consumption for varying loads.
- Renewable Energy:** The Company has installed 25 solar panel street light fixtures as part of its commitment to renewable energy.
- Offsetting:** The Company has undertaken tree plantations on open premises to foster a clean and green environment. It is also developing a green belt on leased land.

9. Provide details related to waste management by the Company, in the following format:

The required details are provided below:

Parameter	FY2024	FY2023
Total Waste generated (in metric tonnes)		
Plastic waste (A)	1.8	3.68
E-waste (B)	Nil	Nil
Bio-medical waste (C)	Nil	6.21
Construction and demolition waste (D)	Nil	Nil
Battery waste (E)	Nil	Nil
Radioactive waste (F)	Nil	Nil
Other Hazardous waste. Please specify, if any. (G)		
Spent Oil	1.68	1.40
Distillation Residue	4.03	2.50
Process residue	1.34	0.75
Spent Carbon	2.18	1.30
ATFD Sludge	1.2	1.71
Others	-	1.10

Annexure H (Contd..)

(To The Directors' Report)

Parameter	FY2024	FY2023
Other Non-hazardous waste generated (H) . Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)		
ETP Sludge	32.1	18.98
Diesel	-	46.41
Total (A+B + C + D + E + F + G + H)	44.33	84.04
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations)	0.00072	0.0015
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP)	0.016	0.034
Waste intensity in terms of physical output	0.00010	0.00019
Waste intensity (optional) – the relevant metric may be selected by the entity	N.A.	N.A.
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	Nil	Nil
(ii) Re-used		
(iii) Other recovery operations		
Total		
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	12.95	7.65
(ii) Landfilling	31.38	18.98
(iii) Other disposal operations	Nil	Nil
Total	44.33	26.63

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

- No

10. Briefly describe the waste management practices adopted in your establishment. Describe the strategy adopted by your Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The Company is committed to robust waste management practices, emphasizing recycling and strict adherence to environmental regulations. Collaborations with vendors are leveraged to minimize the use of hazardous chemicals. All treated waste is responsibly disposed of through Mumbai Waste Management Limited. The safety of the workplace is enhanced with the use of scrubbers and gas detectors. Furthermore, the Company is a strict follower of Taloja's Hazardous Waste Management rules, ensuring that hazardous waste is treated responsibly.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
--------	--------------------------------	--------------------	---

None of the Company's premises are located in ecologically sensitive areas.

Annexure H (Contd.)

(To The Directors' Report)

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the :

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Expansion in Manufacturing capacity API products from 474 MT/A to 924 MT/A	EC23B058MH116098	18-05-2023	Yes	-	-

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection Act and rules thereunder (Y/N).

If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
--------	---	---------------------------------------	---	---------------------------------

Yes. The Company is compliant with all the applicable environmental laws/regulations/guidelines in India.

Leadership Indicators -

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility / plant located in areas of water stress, provide the following information:

- (i) Name of the area -
- (ii) Nature of operations -
- (iii) Water withdrawal, consumption and discharge in the following format:

Parameter	FY2024	FY2023
Water withdrawal by source (in kilolitres)		
(i) Surface water		
(ii) Groundwater		
(iii) Third party water		
(iv) Seawater / desalinated water		
(v) Others		Not Applicable
Total volume of water withdrawal (in kilolitres)		
Total volume of water consumption (in kilolitres)		
Water intensity per rupee of turnover (Water consumed / turnover)		
Water intensity (optional) – the relevant metric may be selected by the entity		
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into Surface water		
- No treatment		
- With treatment – please specify level of treatment		
(ii) Into Groundwater		
- No treatment		Not Applicable
- With treatment – please specify level of treatment		
(iii) Into Seawater		
- No treatment		
- With treatment – please specify level of treatment		

Annexure H (Contd..)

(To The Directors' Report)

Parameter	FY2024	FY2023
(iv) Sent to third-parties		
- No treatment		
- With treatment – please specify level of treatment		
(v) Others		
- No treatment		
- With treatment – please specify level of treatment		
Total water discharged (in kilolitres)		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY2024	FY2023
Total Scope 3 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)			
Total Scope 3 emissions per rupee of turnover		-	
Total Scope 3 emission intensity			

Note: Indicate if any independent assessment, evaluation, or assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

3. With respect to the ecologically sensitive areas reported in Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

- Not Applicable

4. If the entity provided below taken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1	Bag house filter to Boiler outlet	Bag house filter for particulate matter removal from Boiler flue gas	Reduction in particulate matter emission in atmosphere
2	Dust Collector	Trap emitted dust particles from process stack	Reduction in process dust emission to atmosphere
3	Sludge dewatering system at ETP.	Sludge dewatering system initiated.	Reduction in power consumption utilised for sludge drying.
4	RO system provided	RO plant provided for recycling of ETP treated water.	Reduction in water consumption.

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Company has On-site Emergency Plan: To provide guidance to deal with On Site Emergencies so as to minimize impacts on people, Business and the Environment. Preparation for potential and unexpected incidents at the workplace.

Industrial units are in risk to various kinds of natural and man-made emergencies. Examples of Natural Disasters are flood, Cyclone, Earthquake, Tsunami etc. and Man-Made Disasters like major fire, explosion, heavy leakage of toxic/flammable gases collapse of building, vehicle crash, Transportation hazard, sabotage etc. The emergency is an undesirable occurrence of events of such magnitude and nature that adversely affect production, cause loss of human lives and property as well as damage to the environment.

Annexure H (Contd.)

(To The Directors' Report)

Controlling the emergency will require prompt actions by the operating staff, the staff of various agencies, emergency teams and outsiders when called for minimizing the effect on people may be achieved by prompt communication, rescue, evacuation etc., if the situation so warrants.

However, an effective emergency plan helps to minimize the losses in terms of human lives, plant assets and environmental damage and to resume the working condition as soon as possible. In all this steps speed is the essence.

BASIC OBJECTIVES:

The basic objective of the On-Site Emergency plan is to make maximum use of available resources in shortest time. These can be described as below:

- 1) To identify the emergency and affecting area.
 - 2) To disclose the type of emergency and to act accordingly.
 - 3) Initially contain and ultimately bring the incident under control to minimize damages to property, life and environment.
 - 4) Rescue and treat casualties and the safe guard others.
 - 5) Identified the personnel affected / dead, inform their relatives and provide for their needs.
 - 6) Ensure the safe rehabilitation and return to normally in the affected areas.
 - 7) Provide authoritative information to the news media and others.
 - 8) Preserve relevant records and equipment's for subsequent inquiry into the causes and circumstances, which lead to the emergencies.
6. **Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?**
- Not Applicable
7. **% of Value chain partners (by value of business done with such partners) that were assessed for Environmental Impacts?**
- Nil

Principle 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential indicators

1. a. **Number of affiliations with trade and industry chambers/associations.**
 - 5
- b. **List the top 10 trade and industry chambers/associations (determined based on the total members of such body) the Company is a member of/affiliated to.**

S. No.	Name of the trade and industry chambers/associations	Reach of trade and industry chambers/associations (State/ National)
1	Industrial Association- Khopoli (IAK)	State
2	Bombay Chamber of Commerce	State
3	Mahad Manufacturing Associations	State
4	Panoli Industries Association	State
5	Panoli Envro Technology Limited	State

Annexure H (Contd..)

(To The Directors' Report)

- Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the Company, based on adverse orders from regulatory authorities.

Name of the authority	Brief of the case	Corrective action taken
The Company has reported no instances of anti-competitive conduct during the reporting period.		

Leadership Indicators

- Details of public policy positions advocated by the Company:

S. No.	Public Policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/ No)	Frequency of Review by Board (Annually/ Half yearly/Quarterly/ Others- please specify)	Web Link, if available
Not Applicable					

Principle 8: Businesses should promote inclusive growth and equitable development.

Essential Indicators

- Details of Social Impact Assessments (SIA) of projects undertaken by the Company, based on applicable laws, in the .

Name and brief details of project	SIA Notification	Date of notification	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
No					

Company has not initiated any greenfield projects in the financial year and hence no Social Impact Assessment was conducted.

- Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by the Company, in the following format:

S. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amount sent on R&R activities during FY 2023-24 (In INR)
N.A.						

- Describe the mechanisms to receive and redress grievances of the community.

- The Company has instituted robust mechanisms to acknowledge and address grievances from the community. By organizing meetings with the affected community members, the Company gains insights into their challenges and concerns. Through these dialogues, the Company strives to identify solutions and alleviate any hardships encountered by the community.

- Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY2024	FY2023
Directly sourced from MSMEs/small producers	NIL	NIL
Directly from Within India	NIL	NIL

- Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost

Location	FY2024	FY2023
Rural	72%	72%
Semi-urban	8%	8%
Urban	20%	20%
Metropolitan	-	-

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

Annexure H (Contd..)

(To The Directors' Report)

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
Not Applicable	

2. Provide the following information on CSR projects undertaken by the Company in the designated aspirational districts as identified by government bodies:

S. No.	State	Aspirational District	Amount spent (In INR)
1	Maharashtra	Washim	3,51,000

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized/vulnerable groups? (Yes/No) - No
 (b) From which marginalized/vulnerable groups do you procure? – N.A.
 (c) What percentage of total procurement (by value) does it constitute? – N.A.

As a socially responsible, the company identifies the necessity of including marginalised and vulnerable groups across its value chain. Currently, the company does not procure from any vulnerable groups due to the specialised nature of its raw materials and associated services.

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by the Company (in the), based on traditional knowledge:

S. No.	Intellectual Property based on traditional knowledge	Owned/ Acquired (Yes/ No)	Benefit shared (Yes/No)	Basis of calculating benefit share
Nil				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of authority	Brief of the Case	Corrective action taken
Not Applicable		

6. Details of beneficiaries of CSR Projects:

S. No.	CSR Project	No. of persons benefitted from CSR Projects	% of beneficiaries from vulnerable and marginalized group
-			

The Company's Corporate Social Responsibility (CSR) initiatives focus on engaging in activities that benefit local communities, ensuring their comprehensive development. By collaborating with local organisations and promptly addressing community concerns, the company builds trust and maintains positive relationships with the communities it serves.

Annexure H (Contd..)

(To The Directors' Report)

Principle 9: Businesses should engage with and provide value to their consumers in a responsible manner

Essential indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Any consumer can submit a complaint on the Company's website or mail it to info@kopran.com which is monitored by the senior management of the Company. In case of serious complaints and mismanagement complaints by the Company, they can be lodged directly with the Chairman of Audit Committee at the email id: atalnt@yahoo.co.in

2. Turnover of products and/services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	100%
Safe and responsible usage	100%
Recycling and/or safe disposal	0

3. Number of consumer complaints in respect of the following:

	FY2024		Remarks	FY2023		Remarks
	Filed during the year	Pending resolution at the end of the year		Filed during the year	Pending resolution at the end of the year	
Data privacy	Nil	N.A.	N.A.	Nil	N.A.	
Advertising						
Cyber-security

Notice (Contd..)

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Pursuant to Section 102 of the Companies Act, 2013 ('the Act'), the following Explanatory Statement along with Annexure sets out all material facts relating to the business mentioned under Item Nos. 4 of the accompanying Notice dated May 16, 2024

Item No. 4: Pursuant to the provisions of Sections 152 and other applicable provisions of the Companies Act 2013 and the Company's Articles of Association not less than two-thirds of total number of Directors of the Company shall be liable to retire by rotation. One third of these Directors must retire from office at each AGM, but each retiring director is eligible for re-election at such meeting. Independent directors are not subject to retirement by rotation. Accordingly Mr. Susheel G.Somani is required to retire by rotation at this AGM and being eligible, has offered himself for re-appointment.

The Company has received from Mr. Susheel Somani intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014 to the effect that he is not disqualified under sub-section (2) of Section 164 of the Companies Act, 2013.

In the opinion of the Board of Directors, Mr. Susheel Somani proposed to be re-appointed, as a Director, fulfills the conditions specified in the Companies Act, 2013 and the Rules made thereunder. The Board is of the view considering his good health and vast experience in industry will assist the Company to achieve its objective. The Nomination & Remuneration Committee on its meeting held on May 16, 2024 recommended the Board for re-appointment of Mr. Susheel G. Somani.

The Profile and specific areas of expertise of Mr. Susheel Somani are provided as Annexure to this Notice.

None of the Directors or Key Managerial Personnel of the Company and/ or their relatives is interested or concerned, in the Resolution.

The Board recommends the resolution set forth in Item No. 4 for the approval of the Members.

Item No. 5 : Mrs. Mamta Biyani (DIN: 01850136) first term as Independent Director will expire on July 19, 2024, based on the recommendation of the Nomination and Remuneration Committee (NRC), considering the skills, experience & knowledge she possess, the Board at its meeting held on May 16, 2024 recommends for the approval of the members, the re-appointment of Mrs. Mamta Biyani (DIN: 01850136) for a second term of five consecutive years with effect from July 20, 2024 up to July 19, 2029 in terms of section 149 read with Schedule IV to the Act .

Mrs. Mamta Biyani (DIN: 01850136) have given her consent for the said re-appointment and has also submitted the declaration of independence, as required pursuant to section 149(7) of

the Act, stating that she meet the criteria of independence as provided in section 149(6) and is not disqualified from being re-appointed as a director in terms of section 164 of the Act.

The Board is of the opinion that Mrs. Mamta Biyani (DIN: 01850136) possess requisite skills, experience and knowledge relevant to the Company's business and it would be of benefit to the Company to continue to have their association with the Company as Independent Director of the Company. According to section 152 of the Act, read with Schedule IV to the Act, in the opinion of the Board, the proposed re-appointment fulfills the conditions specified in the Act and the rules made thereunder and is independent of the Management.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives, is concerned or interested in the Resolution except Mrs. Mamta Biyani (DIN: 01850136).

The Board recommends the Special resolution set out in Item No. 5 for approval by shareholders.

Item No. 6 : Mr. Narayan Atal (DIN: 00237626) first term as Independent Director will expire on July 19, 2024, based on the recommendation of the Nomination and Remuneration Committee (NRC), considering the skills, experience & knowledge he possess, the Board at its meeting held on May 16, 2024 recommends for the approval of the members, the re-appointment of Mr. Narayan Atal (DIN: 00237626) for a second term of five consecutive years with effect from July 20, 2024 up to July 19, 2029 in terms of section 149 read with Schedule IV to the Act .

Mr. Narayan Atal (DIN: 00237626) have given his consent for the said re-appointment and has also submitted the declaration of independence, as required pursuant to section 149(7) of the Act, stating that he meet the criteria of independence as provided in section 149(6) and is not disqualified from being re-appointed as a director in terms of section 164 of the Act.

The Board is of the opinion that Mr. Narayan Atal (DIN: 00237626) possess requisite skills, experience and knowledge relevant to the Company's business and it would be of benefit to the Company to continue to have their association with the Company as Independent Director of the Company. According to section 152 of the Act, read with Schedule IV to the Act, in the opinion of the Board, the proposed re-appointment fulfills the conditions specified in the Act and the rules made thereunder and is independent of the Management.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives, is concerned or interested in the Resolution except Mr. Narayan Atal (DIN: 00237626).

The Board recommends the Special resolution set out in Item No. 6 for approval by shareholders.

 - How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
- Click on **"Forgot User Details/Password?"**(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
 - Now, you will have to click on "Login" button.
 - After you click on the "Login" button, Home page of e-Voting will open.
- Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.**
- How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**
- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
 - Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
 - Now you are ready for e-Voting as the Voting page opens.
 - Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.

Notice (Contd..)

5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/ JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to cs.smitaprabhu@gmail.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on.: 022 - 4886 7000 or send a request to NSDL Official at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to investors@kopran.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to investors@kopran.com . If you are an Individual shareholders holding

securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. **Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**

3. Alternatively shareholder/members may send a request to evoting@nsdl.com for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE EGM/AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE EGM/ AGM THROUGH VC/OAVM ARE AS UNDER:

1. Member will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for **Access to NSDL e-Voting system**. After successful login, you can see link of "VC/OAVM" placed under "**Join meeting**" menu against company name. You are requested to click on VC/OAVM link placed under Join Meeting menu. The link for VC/OAVM will be available in Shareholder/Member login where the EVEN of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.

Notice (Contd..)

2. Members are encouraged to join the Meeting through Laptops for better experience.
3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
5. Shareholders who would like to express their views/have questions may send their questions in advance mentioning their name demat account number/folio number, email id, mobile number at investors@kopran.com . The same will be replied by the company suitably.
6. **Members can mail their questions on Annual Report 2023-24 from their registered email address mentioning their name, DP ID and Client ID/folio number, PAN, mobile number at investors@kopran.com 48 hours in advance of the meeting time. The same will be addressed at the AGM.**

Independent Auditor's Report

To

The Members of **KOPRAN LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Kopran Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be Communicated in our report. For each matter below, the description of how our audit addressed the matter is provided in the above context.

Sr. No.	Key Audit Matter	How scope of the audit addressed the key audit matter
1	<p>Valuation of inventory:</p> <p>Inventory comprises of Raw Materials, Finished Goods, Stock in process and Stores and Spares. There is an inherent risk around the accuracy of the valuation of the closing stocks.</p> <p>Inventories are valued at lower of cost and net realisable value. These involve significant management judgement to determine the obsolete or slow moving items of inventory and to evaluate the realisable values. Further, Amoxicillin Trihydrate is the main raw material for the Company, which is partly imported, and is subject to high price fluctuation risk as well as foreign currency risk.</p> <p>The volatility in the prices may significantly impact the valuation of not only Raw material but also other items of inventory.</p>	<p>We have reviewed the stock records and held discussions with the management with regard to determination of slow moving and obsolete items and valuation of realizable values of such items. We verified arithmetical accuracy of valuation records / reports.</p> <p>For a sample of inventory items we have verified that the First in First out (FIFO) Method for valuation in case of inventory is appropriate.</p> <p>We have reviewed the price movement with respect to cost to the Company.</p>

Sr. No.	Key Audit Matter	How scope of the audit addressed the key audit matter
	<p>In determining the net realizable value, the management uses data of sales of finished good available which is a management estimate.</p> <p>We have considered this as a key audit matter due to the significance in the amount of inventory and volatility in the prices.</p>	<p>Compared such prices with the recent selling prices. Compared the value of Finished Goods with the last selling prices of the respective product to determine the basis of valuation adopted.</p>
2	<p>Allowance of trade receivables / Credit Losses:</p> <p>The Trade receivables forms a significant part of the Group's total assets. The estimated allowance of trade receivables / credit losses is identified as key audit matter due to the use of significant judgement and estimates with respect to the recoverability of overdue trade receivables. As detailed in note no. 49(b) of the standalone financial statements, the management reviews and assesses the recoverability of the carrying value of all overdue trade receivables individually by considering the credit history including default or delay in payments, settlement records and subsequent settlements.</p> <p>The Company also considers other related information including credit reports to estimate the probability of default in future.</p> <p>Allowance for doubtful debts be provided for the amount of trade receivables that are considered as irrecoverable.</p>	<p>Our audit procedures in relation to the estimated allowance of trade receivables / credit losses included:</p> <ul style="list-style-type: none"> ● Understanding how allowance for doubtful debts is estimated by the management; ● Testing the subsequent settlements of trade receivables, on a sample basis, to the source documents including bank statements and bank-in slips/ remittance advices. ● Discussing with the management and evaluating the basis of trade debtors that are overdue and without / with little settlements subsequent to the end of the reporting period identified by the management and their assessment on the recoverability of overdue trade receivables. ● Computation of the allowance for expected credit losses.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report. Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to report that fact and communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended.
- e) On the basis of the written representations received from the Directors as on March 31, 2024 and taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2024 from being appointed as a Director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this Report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting, of the Company
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations as at March 31, 2024 on its financial position in its standalone financial statements - Refer Note No. 33(a) to the standalone financial statements;
- ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note No. 46(a) to the standalone financial statements;
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company - Refer Note No. 46(b) to the standalone financial statements.
- iv) a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (Intermediaries), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under Sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) As stated in Note No. 54 to the standalone financial statements
- a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, to the extent it applies to payment of dividend .

- b) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend declared is in accordance with section 123 of the Act, to the extent it applies to payment of dividend
- (vi) The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from April 01, 2023.

Based on our examination which included test checks, we report that the Company have used accounting software for maintaining its books of account which has the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that the feature of audit trail (edit log) was enabled for masters and transactions in a phased manner during June and July, 2023 and the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining the books of account.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting softwares, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure “A” to the Independent Auditors’ Report

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Kopran Limited on the standalone financial statements for the year ended March 31, 2024)

- i) (a) In respect of the Property, Plant and Equipment and intangible assets of the Company:-
- (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the company and nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment and Intangible assets during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and Rules made thereunder.
- ii) (a) The inventory except for goods – in – transit has been physically verified by the management during the year at reasonable intervals. In our opinion, the frequency of such verification is reasonable and procedures and the coverage as followed by management were appropriate. No discrepancies were noticed on such verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventories.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the differences between the quarterly returns or statements (comprising stock statements, book debt statements and other stipulated financial information) filed by the Company with such banks or financial institutions and the unaudited books of account of the Company of the respective quarters were not material
- iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investments in, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, in respect of which:
- (a) (A) The Company has made investment in, granted loans and has also given gurantee to Banks for its subsidiaries.

Particulars	Amount (Rs in Lakhs)
Loans and advances in the nature of loans	
i) Loan to subsidiary: Kopran Research Laboratories Limited	
Loans given during the year	NIL
Balance as at the year end	NIL
Investment in the shares of the Subsidiary Company	
Kopran Research Laboratories Limited during the year	120.07
Corporate Guarantee given	

Particulars	Amount (Rs in Lakhs)
For loans sanctioned to Kopran Research Laboratories Limited	12,475.00
Investments in subsidiaries outstanding as at March 31, 2024	
Kopran (H.K.) Limited, Hong Kong	100.06
Kopran Lifesciences Ltd.	5.00
Kopran Research Laboratories Limited.	26,016.07

- (B) Based on the audit procedures carried out by us and as per the information and explanations given to us, the Company has not granted loans to any party other than subsidiaries.
- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made, and the terms and conditions of the loans given and guarantees provided are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the company has not granted loans, hence this clause is not applicable.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, In respect of loans granted by the company, there is no overdue amount for more than ninety days in respect of loans given.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan granted by the company which has fallen due during the year, which has been renewed or extended or fresh loans given to settle the overdues of existing loans given to the same party.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted Loans which are either repayable on demand or without specifying any terms or period of repayment, hence this clause is not applicable.
- iv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any security as specified under Section 186 of the Companies Act, 2013. Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans and guarantee given and investments made.
- v) According to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of section 73 to 76 of the Act and rules framed thereunder. Accordingly, clause 3(v) of the Order is not applicable.
- vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act in respect of the Company's products. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) (a) According to the information and explanations given to us and records examined by us, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Goods and Service tax, duty of customs, Cess, and any other material statutory dues, as applicable to it, with the appropriate authorities. According to information and explanations given to us, there were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Goods and Service Tax, duty of Customs, Cess, and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and the records of the Company, the dues of Income tax, Sales tax, Service tax, Goods and Service tax, duty of Customs, duty of Excise, Value added tax, which have not been deposited on account of any dispute, amount involved and the forum where dispute is pending, are as under:

Name of the Statute	Nature of Dues	Amount Involved	Period to which amount relates	Forum where dispute is pending
Central Excise Act, 1944	Excise Duty	0.44	2014-15	Commissioner of Central Excise
Service Tax Act Chapter V of the Finance Act, 1994	Service Tax	32.95	2001-02	High Court, Mumbai

- viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares / fully or partially or optionally convertible debentures during the year under audit. Accordingly, clause 3(x)(a) of the Order is not applicable.
- xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the year.

- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
- (c) According to the information and explanation given to us, , there are no whistle blower complaints received by the Company during the year.
- xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports of the Company for the year under audit, issued to the company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- We have considered, the internal audit reports issued to the Company during the year and covering the period upto March 31, 2024 and the draft of the internal audit reports in respect of certain areas were issued after the balance sheet date covering the period April 1, 2023 to March 31, 2024 for the period under audit.
- xv) according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirements to report on clause 3(xv) of the Order is not applicable to the company.
- xvi) (a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a), (b), (c) of the Order is not applicable.
- (b) The Company is not engaged in any Non Banking Financial or Housing Finance activities. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (a) there are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable;
- (b) there are no unspent amounts towards Corporate Social Responsibility (CSR) pursuant to any ongoing project, and hence transferring unspent amount to a special account in compliance with provisions of sub-section 6 of Section 135 of the Act is not applicable to Company. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2A(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Kopran Limited on the standalone financial statements for the year ended March 31, 2024)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of **KOPRAN LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required by the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”) and the Standards on Auditing as specified under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls over financial reporting with reference to the standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial control with reference to the standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2024, based on the criteria for internal control with reference to standalone financial statements established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

(₹ in Lakhs)

** Refer Note No. 54

Standalone Statement of Changes In Equity

for the year ended March 31, 2024

The Description of the nature and purpose of each reserve within equity is as follows:

a) Capital Reserve:

Capital Reserves are mainly the reserves created by way of forfeiting the deposits received against the share warrants issued in the earlier years and the merger of 'Kopran Pharmaceuticals Ltd.' with the Company, pursuant to the Scheme of Arrangement and Amalgamation sanctioned by the Hon'ble High Court of Judicature at Bombay in the financial year 2004-05.

b) General Reserve:

General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

c) Securities Premium:

Securities premium reserve is credited when shares are issued at premium. It is utilised in accordance with the provisions of the Act, to issue bonus shares, to provide for premium on redemption of shares or debentures, write-off equity related expenses like underwriting costs, etc.

d) Retained Earnings:

Retained earnings are the profits that the Company has earned till date less any transfer to General Reserve, dividends or other distributions paid to the shareholders.

e) Equity Instruments through OCI:

This represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

1 Corporate Information

Kopran Limited (referred to "KL" or "the Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 applicable in India. Its shares are listed on BSE and NSE in India. The Company is engaged in the business of manufacturing of Formulation (Finished Dosage Form).

The addresses of its registered office and principal place of business are disclosed in the introduction to the annual report.

The financial statements were authorised for issue by the board of directors on May 16, 2024.

2 Significant Accounting Policies

2.1 Basis of preparation

Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time together with the comparative period data as at and for the year ended March 31, 2024.

These financial statements have been prepared by the Company on a going concern basis.

Historical Cost Convention

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- certain financial assets and liabilities and contingent consideration that is measured at fair value or amortised cost at the end of each reporting period.
- assets held for sale measured at fair value less cost to sell;
- defined benefit plans plan assets measured at fair value; and
- Derivative financial instruments;

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Financial Statements are presented in Indian Rupees (which is the functional currency of the Company) in Lakhs and all values are rounded to the nearest in two decimal point except where otherwise stated.

2.2 Current/non current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in Company's normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.3 Summary of significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Monetary items denominated in foreign currency at the year end and not covered under forward exchange contracts are translated at the functional currency spot rate of exchange at the reporting date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the consolidated statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(b) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

The Company categorizes assets and liabilities measured at fair value into one of three levels as follows:

- **Level 1 – Quoted (unadjusted)**

This hierarchy includes financial instruments measured using quoted prices.

- **Level 2**

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

- **Level 3**

Level 3 inputs are unobservable inputs for the asset or liability.

(c) Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell and are disclosed separately under the head "Other Current Assets". once classified as held for sale are not depreciated or amortised.

(d) Property, plant and equipment

For transition to Ind AS, the Company has elected to continue with the carrying value of its Property, Plant and Equipment (PPE) recognized as of April 01, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date.

PPE are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of recoverable taxes) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Advances paid towards the acquisition of Property, plant and equipment are disclosed as "Capital advances" under "Other Non - Current Assets" and the cost of assets not ready intended use as at the balance sheet date are disclosed as 'Capital work-in-progress' net of accumulated impairment loss, if any.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

Software for internal use, which is primarily acquired from third-party vendors and which is an integral part of a tangible asset, including consultancy charges for implementing the software, is capitalised as part of the related tangible asset. Subsequent costs associated with maintaining such software are recognised as expense as incurred. The capitalised costs are amortised over the estimated useful life of the software or the remaining useful life of the tangible fixed asset, whichever is lower.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss when the asset is de-recognized.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Depreciation methods, estimated useful lives and residual value

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is calculated on straight line basis using the useful lives estimated by the management, which are equal to those prescribed under Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the original cost of the asset.

On assets acquired on lease (including improvements to the leasehold premises), amortization has been provided for on Straight Line Method over the period of lease.

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

(e) Other Intangible assets

For transition to Ind AS, the Company has elected to continue with the carrying value of intangible assets recognized as of April 01, 2016 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost as on the transition date.

Other intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition.

Computer software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use it
- there is an ability to use the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

Research and development

Expenditures on research activities undertaken with the prospect of gaining new scientific or technical knowledge and understanding are recognised in the statement of profit and loss when incurred.

Development activities involve a plan or design for the production of new or substantially improved products and processes. Development expenditures are capitalised only if

- development costs can be measured reliably;
- the product or process is technically and commercially feasible;
- future economic benefits are probable and
- the Company intends to, and has sufficient resources to complete development and to use or sell the asset.

The expenditures to be capitalised include the cost of materials and other costs directly attributable to preparing the asset for its intended use. Other development expenditures are recognised in the statement of profit and loss as incurred."

In-Process Research and Development assets ("IPR&D") or Intangible assets under development

Acquired research and development intangible assets that are under development are recognised as In-Process Research and Development assets ("IPR&D") or Intangible assets under development. IPR&D assets are not amortised, but evaluated for potential impairment on an annual basis or when there are indications that the carrying value may not be recoverable. Any impairment charge on such IPR&D assets is recorded in the statement of profit and loss under "Impairment of non-current assets".

Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate. All other expenditures, including expenditures on internally generated goodwill and brands, is recognised in the statement of profit and loss as incurred.

Subsequent expenditure on an IPR&D asset acquired separately or in a business combination and recognised as an intangible asset is:

- a) recognised as an expense when incurred, if it is a research expenditure;
- b) recognised as an expense when incurred, if it is a development expenditure that does not satisfy the criteria for recognition as an intangible asset in paragraph 57 of Ind AS 38; and
- c) added to the carrying amount of the acquired IPR&D asset, if it is a development expenditure that satisfies the recognition criteria in paragraph 57 of Ind AS 38"

An intangible asset is de-recognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is de-recognized.

Amortisation methods and periods

Amortisation is recognised in the statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets. The amortisation expense is recognised in the statement of profit and loss account in the expense category that is consistent with the function of the intangible asset. Intangible assets that are not available for use are amortised from the date they are available for use.

The amortisation period and the amortisation method for intangible assets with a finite useful life are reviewed at each reporting date. Changes in the expected useful lives or expected pattern of consumption of future economic benefits embodied in the assets are considered to modify the amortisation period or method, as appropriate and are treated as change in accounting estimate.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

Goodwill, intangible assets relating to products in development, other intangible assets not available for use and intangible assets having indefinite useful life are subject to impairment testing at each reporting date. All other intangible assets are tested for impairment when there are indications that the carrying value may not be recoverable. All impairment losses are recognised immediately in the statement of profit and loss under "Impairment of non current assets"

(f) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss (except for goodwill) is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the asset.

(g) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

(i) As a lessee

The Company has only short term leases or low value leases. The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in the statement of profit and loss.

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(h) Inventories

Inventories consist of Raw Materials, Stores and Spares, Packing Materials, Work-in Progress, Goods in Transit and Finished Goods and are measured at the lower of cost and net realisable value.

Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition.

Cost of Raw Materials, Stores & Spares and Packing Materials is determined using First in First out (FIFO) Method. Cost of Work-in-Progress and Finished Goods is determined on absorption costing method.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(i) Revenue recognition

- (i) Revenue is recognized upon transfer of control of promised goods or services to Customers (i.e. when performance obligation is satisfied) for an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. The point at which control passes is determined based on terms of agreement with the customer or as per general industry / market practice.

Revenue is measured based on the transaction price, which is the consideration, adjusted for trade discounts, allowances or any other price concessions as may be agreed with the customers at the time of sale. Revenues also excludes Goods and Services Tax (GST) or any other taxes collected from the Customers and net of returns and discounts.

- (ii) In respect of other fixed-price contracts, revenue is recognised using percentage-of-completion method ('POC method') of accounting with contract costs incurred determining the degree of completion of the performance obligation.

- (iii) Interest income

Interest income, including income arising from other financial instruments measured at amortized cost, is recognized using the effective interest rate method.

- (iv) Dividend income

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(j) Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current income tax

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting date. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

(ii) Deferred tax

Deferred income tax is recognized using the balance sheet approach. Deferred tax is recognized on temporary differences at the balance sheet date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(iii) Minimum Alternate Tax

MAT payable for a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available in the statement of profit and loss as deferred tax with a corresponding asset only to the extent that there is probable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The said asset is shown as 'MAT Credit Entitlement' under Deferred Tax. The Company reviews the same at each reporting date and writes down the asset to the extent the Company does not have the probable certainty that it will pay normal tax during the specified period.

(k) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets

Initial Recognition

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, in which case they are recognised at fair value. The Company's trade receivables do not contain any significant financing component and hence are measured at the transaction price measured under Ind AS 115 "Revenue from Contracts with Customers".

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

(i) *Debt instruments at amortised cost*

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

(ii) *Debt instrument at FVTOCI*

A 'debt instrument' is measured as at FVTOCI if both of the following criteria are met:

- the objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the OCI. However, the Company recognises interest income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss. Interest earned while holding a FVTOCI debt instrument is reported as interest income using the effective interest rate method

(iii) *Debt instrument at FVTPL*

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as an "accounting mismatch").

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss

(iv) *Equity instruments measured at FVTOCI*

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the profit or loss.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(v) *Cash and Cash equivalents*

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Investments in subsidiaries, Associates and Joint Ventures

The Company has accounted for its Subsidiaries, Associates and Joint Ventures at cost.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive contractual cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of trade receivables and other financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL), simplified model approach for measurement and recognition of Impairment loss on Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or any contractual right to receive cash or another financial asset.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income / expense in the statement of Profit and Loss.

Financial liabilities

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

(i) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(ii) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

(iii) Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value and if not designated as at FVTPL, are subsequently measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount initially recognised less cumulative amount of income recognised.

De-recognition

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss, unless designated as effective hedging instruments.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts, full currency swap, options and interest rate swaps to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non-financial liability.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

For the purpose of hedge accounting, hedges are classified as:

- Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognised firm commitment.
- Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedges that meet the strict criteria for hedge accounting are accounted for, as described below:

(i) Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

(ii) Cash flow hedges

The effective portion of changes in the fair value of the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in profit or loss. The Company uses forward currency contracts as hedges of its exposure to foreign currency risk in forecast transactions and firm commitments. Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when a forecast sale occurs. When the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognised as OCI are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

(l) Convertible financial instrument

Convertible instruments are separated into liability and equity components based on the terms of the contract.

On issuance of the convertible instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction costs are apportioned between the liability and equity components of the convertible instrument based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

(m) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans viz. gratuity,
- (b) defined contribution plans viz. provident fund.

(a) Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are disclosed as "Remeasurements of net defined benefit plans" under the head "Other Comprehensive Income" in the statement of changes in equity.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(b) Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

(vi) Termination benefits

Termination benefits are recognised as an expense in the statement of profit and loss when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognised as an expense in the statement of profit and loss if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

(v) Compensated Absences

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date using the Projected Unit Credit Method.

(n) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation and a reliable estimate can be made of the amount of obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements. A contingent asset is disclosed where an inflow of economic benefits is probable. Contingent assets are assessed continually and, if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(o) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the year in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

(p) Segment Reporting - Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's chief operating decision maker to

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by geographic segments.

(q) Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(r) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks having the maturity of three months or less which are subject to insignificant risk of changes in value.

(s) Cash Flow Statement

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(t) Dividends

The Company recognises a liability to make dividend distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

(u) Significant accounting judgements, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make judgement, estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

- (i) Impairment of non - financial assets - Note 2.3(f)
- (ii) Useful lives of property, plant and equipment and intangible assets - Note 2.3(d) and (e)
- (iii) Valuation of deferred tax assets - Note 2.3(j)(ii)
- (iv) Defined benefit plans - Note 2.3(m)(iii)(a)
- (v) Provisions and contingent liabilities - 2.3(n)
- (vi) Fair value measurement - 2.3(b)

3 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company

(ii) Rights, Preferences and Restrictions attaching to each class of shares Equity Shares having a face value of ₹ 10

As to voting

The Company has only one class of shares referred to as equity shares having a face value of ₹ 10. Each holder of the equity share is entitled to one vote per share.

As to distribution of dividends

The Shareholders are entitled to receive dividend in proportion to the amount of paid up equity shares held by them. The dividend proposed by the Board of Directors is subject to approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend which is recognised on approval by board of directors.

As to repayment of capital

In the event of liquidation of the Company, the holders of equity shares are entitled to receive the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in proportion of the number of shares held by the shareholders.

(iii) Shares held by Holding / Ultimate Holding Company and / or their Subsidiaries / Associates

There is no Holding Company or Ultimate Holding Company of the Company. Accordingly, disclosures pertaining to shares of the Company held by held by holding company or its ultimate holding company including shares held by subsidiaries or associates of the holding company or the ultimate holding company is not applicable.

b) Supreme Court Judgement on computation of provident fund contribution

On February 28, 2019, the Honorable Supreme Court of India delivered a judgement in the case of 'Vivekananda Vidyamandir and Others Vs The Regional Provident Fund Commissioner (II) West Bengal' in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The Employees' Provident Fund Organisation also issued a circular (Circular No. C-1/1(33)2019/Vivekananda Vidyamandir/284) dated March 20, 2019 in relation to aforesaid matter. There is uncertainty and ambiguity in interpreting and giving effect to the guidelines of Honourable Supreme Court vide its ruling in February 2019, in relation to the scope of compensation on which the organisation and its employees are to contribute towards Provident Fund. The Company will evaluate its position and act, as clarity emerges.

Benefits paid directly by employer	(18.81)	(22.25)
Net liability / (asset) recognised in the Balance Sheet	414.04	392.55
Category of assets		
NIL, as Funding status is unfunded.	-	-
Maturity analysis of the benefit payments from the employer		
Projected benefits payable in future years from the date of reporting		
1 st following year	38.64	38.08
2 nd following year	7.04	6.78
3 rd following year	20.10	13.71
4 th following year	23.32	20.87
5 th following year	42.10	23.07
Sum of years of 6 to 10	202.08	185.97
Sum of years of 11 and above	524.91	579.49

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented below may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the below sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

ii. Fair Value Measurements

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the fair value hierarchy that categorises the values into 3 levels. For the inputs to valuation techniques used to measure fair value of financial instruments refer Note No. 2.3(b)

Assets and liabilities measured at fair value:

There have been no transfers among Level 1, Level 2 and Level 3 during the period.

Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Management does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

48 CAPITAL MANAGEMENT

Capital includes issued equity capital and share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholders' value.

(₹ in Lakhs)

Particulars	As at March 31, 2024	As at March 31, 2023
Non - current financial liabilities - Borrowings	222.56	230.19
Current financial liabilities - Borrowings	2,048.62	2,558.27
Less : cash and cash equivalents	(564.74)	(103.70)
Net debt (A)	1,706.44	2,684.76
Total Equity	41,686.74	39,558.64
Total Capital (B)	41,686.74	39,558.64
Capital and Net Debt C = (A) + (B)	43,393.18	42,243.40
Gearing Ratio (A) / (C)	3.93%	6.36%

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations. The company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

49 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's business activities expose it to a variety of financial risks, namely market risks, credit risk and liquidity risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. The top management is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

a) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, borrowings, foreign currency receivables and payables.

i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates to the Company's long-term debt as well as short-term obligations with floating interest rates.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

In order to manage its interest rate risk the Company diversifies its portfolio in accordance with the limits set by the risk management policies.

As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates. A 1% decrease in interest rates would have led to approximately an additional ₹ 22.71 Lakhs gain for year ended March 31, 2024 (₹ 27.66 Lakhs gain for year ended March 31, 2023) in Interest expenses. A 1% increase in interest rates would have led to an equal but opposite effect.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting.

ii) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the borrowings, import of raw materials, exports of Formulations and the Company's net investments in foreign subsidiaries.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure.

The Company evaluates exchange rate exposure arising from foreign currency transactions. The Company follows established risk management policies. It uses derivative instruments like foreign currency forwards to hedge exposure to foreign currency risk.

Outstanding foreign currency exposure:

(₹ in Lakhs)

Particulars	As at March 31, 2024		As at March 31, 2023	
	Foreign Currency Amount	Amount in Rs.	Foreign Currency Amount	Amount in Rs.
Receivables				
USD	102.42	8,538.05	95.65	7,860.45
EURO	0.62	55.92	2.18	195.11
GBP	1.78	187.75	1.41	143.31
Foreign Currency Bank Account				
USD	0.03	2.38	0.02	1.40
Investments				
HKD	23.19	246.95	23.19	242.54
Payables				
USD	15.51	1,292.85	29.10	2,391.56
GBP	0.57	60.52	0.58	58.66
EURO	1.10	99.56	0.47	41.80
Borrowings				
USD	6.79	566.33	21.05	1,729.89

Foreign exchange risk sensitivity:

As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates. A 1% decrease in interest rates would have led to approximately an additional ₹ 70.12 Lacs net loss/Profit for year ended March 31, 2024 (₹ 41.97 Lacs net profit/loss for year ended March 31, 2023) in Interest expenses. A 1% increase in interest rates would have led to an equal but opposite effect.

Notes forming part of the Standalone Financial Statements

for the year ended March 31, 2024

Forward Exchange Contracts:

Derivatives for hedging currency, outstanding are as under:

(₹ in Lakhs)

Particulars	Purpose	Currency	As at March 31, 2024	As at March 31, 2023
Foreign currency forward contracts	Exports	USD	87.50	97.72
Forward contract value	Exports	₹	7,364.88	8,055.90
Foreign currency forward contracts	Imports	USD	-	-
Forward contract value	Imports	₹	-	-

iii) Other Price Risk

Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from financial assets such as investments in equity instruments. The Company is exposed to price risk arising mainly from investments in equity instruments recognised at FVTOCI. As at March 31, 2024, the carrying value of such equity instruments recognised at FVTOCI amounts to ₹ 5.26 Lakhs (March 31, 2023 ₹ 5.26 Lakhs). The details of such investments in equity instruments are given in Note 6(a) and 6(b).

The Company is mainly exposed to change in market rates of its investments in equity investments recognised at FVTOCI. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

If the equity prices had been higher / lower by 10% from the market prices existing as at March 31, 2024, Other Comprehensive Income for the year ended March 31, 2024 would increase / decrease by ₹ Nil Lakhs (March 31, 2023 ₹ Nil Lakhs) with a corresponding increase/decrease in Total Equity of the Company as at March 31, 2024. 10% represents management's assessment of reasonably possible change in equity prices.

b) Credit Risk

Credit risk arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing / investing activities, including deposits with banks, foreign exchange transactions and financial guarantees. The Company has no significant concentration of credit risk with any counterparty.

Trade receivables:

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/ modified.

Total Trade receivable as on March 31, 2024 is ₹ 8,780.30 Lakhs (March 31, 2023 ₹ 8,381.25 Lakhs). The average credit period on sale of goods is 90 to 180 days. No interest is charged on trade receivables.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

c) Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

52 DISAGGREGATION OF REVENUE

The operations of the Company are limited to only one segment viz. pharmaceuticals and related products. Revenue from contract with customers is from sale of manufactured goods and rendering of research services. Sale of goods are made at a point in time and revenue is recognised upon satisfaction of the performance obligations which is typically upon dispatch / delivery. The Company has a credit evaluation policy based on which the credit limits for the trade receivables are established. There is no significant financing component as the credit period provided by the Company is not significant.

Independent Auditor's Report

To The Members of **Kopran Limited**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Kopran Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries listed in Annexure I (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of other auditors on separate financial statements and on the other financial information of the subsidiaries referred to in 'Other Matters' section herein below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, of its consolidated profit and consolidated other comprehensive income, the consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How scope of the audit addressed the key audit matter
1	<p>Valuation of inventory:</p> <p>Inventory comprises of Raw Materials, Finished Goods, Stock in process and Stores and Spares. There is an inherent risk around the accuracy of the valuation of the closing stocks.</p> <p>Inventories are valued at lower of cost and net realisable value. These involve significant management judgement to determine the obsolete or slow moving items of inventory and to evaluate the realisable values. Further, Amoxicillin Trihydrate is the main raw material for the Company, which is partly imported, and is subject to high price fluctuation risk as well as foreign currency risk.</p>	<p>We have reviewed the stock records and held discussions with the management with regard to determination of slow moving and obsolete items and valuation of realizable values of such items. We verified arithmetical accuracy of valuation records / reports.</p> <p>For a sample of inventory items, we have verified that the First in First out (FIFO) Method for valuation in case of inventory is appropriate.</p> <p>We have reviewed the price movement with respect to cost to the Company.</p>

Sr. No.	Key Audit Matter	How scope of the audit addressed the key audit matter
	<p>The volatility in the prices may significantly impact the valuation of not only Raw material but also other items of inventory.</p> <p>In determining the net realizable value, the management uses data of sales of finished goods available which is a management estimate.</p> <p>We have considered this as a key audit matter due to the significance in the amount of inventory and volatility in the prices</p>	<p>Compared such prices with the recent selling prices. Compared the value of Finished Goods with the last selling prices of the respective product to determine the basis of valuation adopted.</p>
2	<p>Allowance of trade receivables / credit losses:</p> <p>The Trade receivables forms a significant part of the Group's total assets. The estimated allowance of trade receivables / credit losses is identified key audit matter due to the use of significant judgement and estimates with respect to the recoverability of overdue trade receivables. As detailed in note no. 52(b) of financial statements, the management reviews and assesses the recoverability of the carrying value of all overdue trade receivables individually by considering the credit history including default or delay in payments, settlement records and subsequent settlements.</p> <p>The Company also considers other related information including credit reports to estimate the probability of default in future.</p> <p>Allowance for doubtful debts be provided for the amount of trade receivables that are considered as irrecoverable.</p>	<p>Our audit procedures in relation to the estimated allowance of trade receivables / credit losses included:</p> <ul style="list-style-type: none"> • Understanding how allowance for doubtful debts is estimated by the management; • Testing the subsequent settlements of trade receivables, on a sample basis, to the source documents including bank statements and bank-in slips/ remittance advices. • Discussing with the management and evaluating the basis of trade debtors that are overdue and without/with little settlements subsequent to the end of the reporting period identified by the management and their assessment on the recoverability of overdue trade receivables. • Computation of allowance for Expected credit losses.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Corporate Governance Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the annual report, based on the work we have performed, we conclude that there is a material misstatement therein; we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows, of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the companies or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each entity of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements.

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements / financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements / financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in 'Other Matters' paragraph below.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements / financial information of four subsidiaries, whose financial statements / financial information, before consolidated adjustments, reflect total assets of Rs. 50,822.27 lakhs as at March 31, 2024, total income of Rs. 32,504.62 lakhs and net cash outflows amounting to Rs. 391.58 lakhs for the year ended on that date, as considered in the consolidated financial statements. This financial statements / financial information has been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate / consolidated financial statements of such subsidiaries as were audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the Directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on March 31, 2024 from being appointed as a Director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g) With respect to the matter to be included in the Auditors' Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and according to the information and explanation given to us and based on the reports of the statutory auditors of such subsidiary companies incorporated in India which were not audited by us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India, to their directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements of the subsidiaries, as noted in the 'Other Matters' paragraph above:
- i. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2024 on the consolidated financial position of the Group. Refer Note No. 35(a) to the consolidated financial statements.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts. Refer Note No. 49(a) to the consolidated financial statements in respect of such items as it relates to the Group.
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India. Refer Note No. 49(b) to the consolidated financial statements in respect of such items as it relates to the Group.
 - iv.
 - (a) The respective Management of the Holding Company and its subsidiary companies, which are incorporated in India, whose Financial Statements have been audited under the Act, have represented to us and to the other Auditors of such subsidiary companies that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies to or in any other person or entity, including foreign entities (Intermediaries), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (Ultimate Beneficiaries) by or on behalf of the Company or its subsidiary companies or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Management of the Holding Company and its subsidiary companies, which are incorporated in India, whose Financial Statements have been audited under the Act, have represented to us and to the other Auditors of such subsidiary companies that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or its subsidiary companies from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the Auditors of the subsidiary companies, which are incorporated in India, whose Financial Statements have been audited under the Act, nothing has come to our or other Auditor's notice that has caused us or the other Auditors to believe that the representations under Sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. As stated in Note No. 58 to the consolidated financial statements:
 - a) The final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with section 123 of the Act, to the extent it applies to the payment of dividend.
 - b) The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, to the extent it applies to the payment of dividend.

- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from April 01, 2023.

Based on our examination which included test checks, and as communicated by the respective auditor of four subsidiaries, the Holding Company and its subsidiary companies incorporated in India, have used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares except that In case of Holding Company, the feature of audit trail (edit log) was enabled for masters and transactions in a phased manner during June and July, 2023 and In case of Holding Company, the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining the books of account.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting softwares, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of Kopran Limited on the consolidated financial statements for the year ended March 31, 2024)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Kopran Limited (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting with reference to consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding company and respective subsidiaries, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's and its subsidiary companies', which are companies incorporated in India, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013 ("the Act"), to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we and the statutory auditors of the subsidiaries incorporated in India, have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system over financial reporting with reference to these consolidated financial statements of the Holding Company and its subsidiaries which are incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated Financial Statements

A company's internal financial control with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance

with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these consolidated financial statements:

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters:

Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far as it relates to separate / consolidated financial statements of subsidiaries, which are companies incorporated in India, is based on the respective reports of the auditors of such subsidiaries incorporated in India.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in Other Matters paragraph above, the Holding Company and its subsidiaries, which are companies incorporated in India have, maintained in all material respects, adequate internal financial controls over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2024, based on the internal financial control over financial reporting criteria established by the Holding Company considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Our opinion is not modified in respect of the above matter.

** Refer Note No. 57

Consolidated Statement of Changes In Equity

for the year ended March 31, 2024

The Description of the nature and purpose of each reserve within equity is as follows:

a) Foreign Currency Translation Reserve:

Exchange differences relating to the translation of the results and net assets of the Group's foreign operations from their functional currencies to the Group's presentation currency (i.e. ₹) are recognised directly to retained earnings and accumulated in foreign currency translation reserve.

b) Capital Reserve:

Capital Reserves are mainly the reserves created by way of forfeiting the deposits received against the share warrants issued in the earlier years and the merger of 'Kopran Pharmaceuticals Ltd.' with the Company, pursuant to the Scheme of Arrangement and Amalgamation sanctioned by the Hon'ble High Court of Judicature at Bombay in the financial year 2004-05.

c) General Reserve:

General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

d) Securities Premium:

Securities premium reserve is credited when shares are issued at premium. It is utilised in accordance with the provisions of the Act, to issue bonus shares, to provide for premium on redemption of shares or debentures, write-off equity related expenses like underwriting costs, etc

e) Retained Earnings:

Retained earnings are the profits that the Company has earned till date less any transfer to General Reserve, dividends or other distributions paid to the shareholders

f) Equity Instruments through OCI:

This represents the cumulative gains and losses arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed off.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

1 Corporate Information

Kopran Limited (referred to as "KL" or "the Holding Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 applicable in India. Its shares are listed on BSE and NSE in India.

The Holding Company and its subsidiaries are engaged in the business of manufacturing of Formulation (Finished Dosage Form) and Active Pharmaceutical Ingredients (API).

The Holding Company, its subsidiaries, associate and joint venture together referred as "the Company" or "the Group".

The addresses of its registered office and principal place of business are disclosed in the introduction to the annual report.

The financial statements were authorised for issue by the board of directors on May 16, 2024.

2 Significant Accounting Policies

2.1 Basis of preparation

Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time together with the comparative period data as at and for the year ended March 31, 2024.

These financial statements have been prepared by the Group on a going concern basis.

Historical Cost Convention

The consolidated financial statements have been prepared on the historical cost basis except for the followings:

- certain financial assets and liabilities and contingent consideration that is measured at fair value or amortised cost at the end of each reporting period.
- assets held for sale measured at fair value less cost to sell;
- defined benefit plans plan assets measured at fair value; and
- Derivative financial instruments;

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The consolidated financial statements are presented in Indian Rupees (which is the functional currency of the Holding Company) in Lakhs and all values are rounded to the nearest in two decimal point except where otherwise stated.

Principles of Consolidation

The consolidated financial statements relate to Kopran Limited ('the Company') and its subsidiary companies, associates and joint ventures. The consolidated financial statements have been prepared on the following basis:

The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the Foreign Currency Translation Reserve.

Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.

The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognized in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.

Non Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Group.

Non Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Group's shareholders.

Investment in Associates and Joint Ventures has been accounted under the equity method as per Ind AS 28 - Investments in Associates and Joint Ventures.

The Group accounts for its share of post acquisition changes in net assets of associates and joint ventures, after eliminating unrealized profits and losses resulting from transactions between the Group and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

2.2 Current/non current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in Group's normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

2.3 Summary of significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Holding Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Monetary items denominated in foreign currency at the year end and not covered under forward exchange contracts are translated at the functional currency spot rate of exchange at the reporting date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the consolidated statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(iii) Foreign operations

For the purposes of presenting these consolidated financial statements, the assets and liabilities of Group's foreign operations, are translated to the Indian Rupees at exchange rates at the end of each reporting period. The income and expenses of such foreign operations are translated at the average exchange rates for the period. Resulting foreign currency differences are recognised to retained earnings and presented within equity as part of Foreign Currency Translation Reserve.

(b) Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

The Group categorizes assets and liabilities measured at fair value into one of three levels as follows:

- **Level 1 – Quoted (unadjusted)**

This hierarchy includes financial instruments measured using quoted prices.

- **Level 2**

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

- **Level 3**

Level 3 inputs are unobservable inputs for the asset or liability.

(c) Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell and are disclosed separately under the head "Other Current Assets". Once classified as held for sale are not depreciated or amortised.

(d) Property, plant and equipment

For transition to Ind AS, the Group has elected to continue with the carrying value of its Property, Plant and Equipment (PPE) recognized as of April 01, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date.

PPE are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of recoverable taxes) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Advances paid towards the acquisition of Property, plant and equipment are disclosed as "Capital advances" under "Other Non - Current Assets" and the cost of assets not ready intended use as at the balance sheet date are disclosed as 'Capital work-in-progress' net of accumulated impairment loss, if any.

Software for internal use, which is primarily acquired from third-party vendors and which is an integral part of a tangible asset, including consultancy charges for implementing the software, is capitalised as part of the related tangible asset. Subsequent costs associated with maintaining such software are recognised as expense as incurred. The capitalised costs are amortised over the estimated useful life of the software or the remaining useful life of the tangible fixed asset, whichever is lower.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Depreciation methods, estimated useful lives and residual value

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is calculated on straight line basis using the useful lives estimated by the management, which are equal to those prescribed under Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the original cost of the asset.

On assets acquired on lease (including improvements to the leasehold premises), amortization has been provided for on Straight Line Method over the period of lease.

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

(e) Goodwill and Other Intangible assets

For transition to Ind AS, the Group has elected to continue with the carrying value of intangible assets recognized as of April 01, 2016 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost as on the transition date.

Goodwill

Goodwill represents the excess of consideration transferred, together with the amount of non-controlling interest in the acquiree, over the fair value of the Group's share of identifiable net assets acquired. Goodwill is measured at cost less accumulated impairment losses. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. The goodwill acquired in a business combination is, for the purpose of impairment testing, allocated to cash-generating units that are expected to benefit from the synergies of the combination. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of a cash-generating unit to which goodwill is allocated, the goodwill associated with the disposed cash-generating unit is included in the carrying amount of the cash-generating unit when determining the gain or loss on disposal.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Other intangible assets

Other intangible assets that are acquired by the Group and that have finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition.

Computer software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Group are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use it
- there is an ability to use the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Research and development

Expenditures on research activities undertaken with the prospect of gaining new scientific or technical knowledge and understanding are recognised in the statement of profit and loss when incurred.

Development activities involve a plan or design for the production of new or substantially improved products and processes. Development expenditures are capitalised only if

- development costs can be measured reliably;
- the product or process is technically and commercially feasible;
- future economic benefits are probable and
- the Group intends to, and has sufficient resources to complete development and to use or sell the asset.

The expenditures to be capitalised include the cost of materials and other costs directly attributable to preparing the asset for its intended use. Other development expenditures are recognised in the statement of profit and loss as incurred.

In-Process Research and Development assets ("IPR&D") or Intangible assets under development

Acquired research and development intangible assets that are under development are recognised as In-Process Research and Development assets ("IPR&D") or Intangible assets under development. IPR&D assets are not amortised, but evaluated for potential impairment on an annual basis or when there are indications that the carrying value may not be recoverable. Any impairment charge on such IPR&D assets is recorded in the statement of profit and loss under "Impairment of non-current assets".

Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate. All other expenditures, including expenditures on internally generated goodwill and brands, is recognised in the statement of profit and loss as incurred.

Subsequent expenditure on an IPR&D asset acquired separately or in a business combination and recognised as an intangible asset is:

- a) recognised as an expense when incurred, if it is a research expenditure;
- b) recognised as an expense when incurred, if it is a development expenditure that does not satisfy the criteria for recognition as an intangible asset in paragraph 57 of Ind AS 38; and

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

- c) added to the carrying amount of the acquired IPR&D asset, if it is a development expenditure that satisfies the recognition criteria in paragraph 57 of Ind AS 38"

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Amortisation methods and periods

Amortisation is recognised in the statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets. The amortisation expense is recognised in the statement of profit and loss account in the expense category that is consistent with the function of the intangible asset. Intangible assets that are not available for use are amortised from the date they are available for use.

The amortisation period and the amortisation method for intangible assets with a finite useful life are reviewed at each reporting date. Changes in the expected useful lives or expected pattern of consumption of future economic benefits embodied in the assets are considered to modify the amortisation period or method, as appropriate and are treated as change in accounting estimate.

Goodwill, intangible assets relating to products in development, other intangible assets not available for use and intangible assets having indefinite useful life are subject to impairment testing at each reporting date. All other intangible assets are tested for impairment when there are indications that the carrying value may not be recoverable. All impairment losses are recognised immediately in the statement of profit and loss under "Impairment of non current assets"

(f) Impairment of non financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss (except for goodwill) is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the asset.

(g) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

(i) As a lessee

The Group has only short term leases or low value leases. The Group has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in the statement of profit and loss.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(h) Inventories

Inventories consist of Raw Materials, Stores and Spares, Packing Materials, Work-in Progress, Goods in Transit and Finished Goods and are measured at the lower of cost and net realisable value

Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition.

Cost of Raw Materials, Stores & Spares and Packing Materials is determined using First in First out (FIFO) Method. Cost of Work-in-Progress and Finished Goods is determined on absorption costing method.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(i) Revenue recognition

(i) Revenue is recognized upon transfer of control of promised goods or services to Customers (i.e. when performance obligation is satisfied) for an amount that reflects the consideration which the Group expects to receive in exchange for those products or services. The point at which control passes is determined based on terms of agreement with the customer or as per general industry / market practice."

Revenue is measured based on the transaction price, which is the consideration, adjusted for trade discounts, allowances or any other price concessions as may be agreed with the customers at the time of sale. Revenues also excludes Goods and Services Tax (GST) or any other taxes collected from the Customers and net of returns and discounts.

(ii) In respect of other fixed-price contracts, revenue is recognised using percentage-of-completion method ("POC method") of accounting with contract costs incurred determining the degree of completion of the performance obligation.

(iii) Interest income

Interest income, including income arising from other financial instruments measured at amortized cost, is recognized using the effective interest rate method.

(iv) Dividend income

Dividend income is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

(j) Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current income tax

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

date. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

(ii) Deferred tax

Deferred income tax is recognized using the balance sheet approach. Deferred tax is recognized on temporary differences at the balance sheet date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(iii) Minimum Alternate Tax

MAT payable for a year is charged to the statement of profit and loss as current tax. The Group recognizes MAT credit available in the statement of profit and loss as deferred tax with a corresponding asset only to the extent that there is probable certainty that the Group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The said asset is shown as 'MAT Credit Entitlement' under Deferred Tax. The Group reviews the same at each reporting date and writes down the asset to the extent the Group does not have the probable certainty that it will pay normal tax during the specified period.

(k) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Group becomes a party to the contractual provisions of the instruments.

Financial assets

Initial Recognition

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, in which case they are recognised at fair value. The Group's trade receivables do not contain any significant financing component and hence are measured at the transaction price measured under Ind AS 115 "Revenue from Contracts with Customers".

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

(i) *Debt instruments at amortised cost*

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

(ii) *Debt instrument at FVTOCI*

A 'debt instrument' is measured as at FVTOCI if both of the following criteria are met:

- the objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the OCI. However, the Group recognises interest income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss. Interest earned while holding a FVTOCI debt instrument is reported as interest income using the effective interest rate method.

(iii) *Debt instrument at FVTPL*

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as an "accounting mismatch").

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

(iv) *Equity instruments measured at FVTOCI*

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present subsequent changes in the fair value in OCI. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the profit or loss.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(v) Cash and Cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Investments in subsidiaries, Associates and Joint Ventures

The Group has accounted for its Subsidiaries, Associates and Joint Ventures at cost.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or

The Group has transferred its rights to receive contractual cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Impairment of trade receivables and other financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL), simplified model approach for measurement and recognition of Impairment loss on Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or any contractual right to receive cash or another financial asset.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income / expense in the statement of Profit and Loss.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Financial liabilities

Classification as debt or equity

Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Group's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Group's own equity instruments.

Initial recognition and measurement

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

(i) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(ii) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

(iii) Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value and if not designated as at FVTPL, are subsequently measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount initially recognised less cumulative amount of income recognised.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss, unless designated as effective hedging instruments.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Group uses derivative financial instruments, such as forward currency contracts, full currency swap, options and interest rate swaps to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non-financial liability.

For the purpose of hedge accounting, hedges are classified as:

- Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognised firm commitment.
- Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment

At the inception of a hedge relationship, the Group formally designates and documents the hedge relationship to which the Group wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Group's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in Fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedges that meet the strict criteria for hedge accounting are accounted for, as described below:

(i) Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

(ii) Cash flow hedges

The effective portion of changes in the fair value of the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in profit or loss. The Group uses forward currency

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

contracts as hedges of its exposure to foreign currency risk in forecast transactions and firm commitments. Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when a forecast sale occurs. When the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognised as OCI are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

(l) Convertible financial instrument

Convertible instruments are separated into liability and equity components based on the terms of the contract.

On issuance of the convertible instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction costs are apportioned between the liability and equity components of the convertible instrument based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

(m) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Group operates the following post-employment schemes:

- (a) defined benefit plans viz. gratuity,
- (b) defined contribution plans viz. provident fund.

(a) Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are disclosed as "Remeasurements of net defined benefit plans" under the head "Other Comprehensive Income" in the statement of changes in equity.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(b) Defined contribution plans

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(vi) Termination benefits

Termination benefits are recognised as an expense in the statement of profit and loss when the Group is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognised as an expense in the statement of profit and loss if the Group has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

(v) Compensated Absences

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date using the Projected Unit Credit Method.

(n) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation and a reliable estimate can be made of the amount of obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Claims against the Group where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the financial statements. A contingent asset is disclosed where an inflow of economic benefits is probable. Contingent assets are assessed continually and, if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(o) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the year in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

(p) Segment Reporting - Identification of Segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by geographic segments.

(q) Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(r) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks having the maturity of three months or less which are subject to insignificant risk of changes in value.

(s) Cash Flow Statement

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

(t) Dividends

The Group recognises a liability to make dividend distributions to equity holders of the Group when the distribution is authorised and the distribution is no longer at the discretion of the Group. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

(u) Significant accounting judgements, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Group to make judgement, estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

- (i) Impairment of non - financial assets - Note 2.3(f)
- (ii) Useful lives of property, plant and equipment and intangible assets - Note 2.3(d) and (e)
- (iii) Valuation of deferred tax assets - Note 2.3(j)(ii)
- (iv) Defined benefit plans - Note 2.3(m)(iii)(a)
- (v) Provisions and contingent liabilities - 2.3(n)
- (vi) Fair value measurement - 2.3(b)

3 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

b) Supreme Court Judgement on computation of provident fund contribution

On February 28, 2019, the Honorable Supreme Court of India delivered a judgement in the case of 'Vivekananda Vidyamandir and Others Vs The Regional Provident Fund Commissioner (II) West Bengal' in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The Employees' Provident Fund Organisation also issued a circular (Circular No. C-1/1(33)2019/Vivekananda Vidyamandir/284) dated March 20, 2019 in relation to aforesaid matter. There is uncertainty and ambiguity in interpreting and giving effect to the guidelines of Honourable Supreme Court vide its ruling in February 2019, in relation to the scope of compensation on which the organisation and its employees are to contribute towards Provident Fund. The Company will evaluate its position and act, as clarity emerges.

a) Defined contribution plan

Contributions to defined Contribution plan, recognised are charged off for the year are as under:

(₹ in Lakhs)

Particulars	Year Ended March 31, 2024	Year Ended March 31, 2023
Employer's contribution to Provident Fund	221.03	228.28
Employer's contribution to Labour Welfare Fund	0.54	0.57
Employer's contribution to ESIC	13.33	16.27
Total	234.90	245.12

b) Defined Benefit plan

The employees' gratuity scheme is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner.

Sum of years of 6 to 10	418.55	389.77
Sum of years of 11 and above	967.53	1,021.83

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented below may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

Furthermore, in presenting below the sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Others	148.86	4,422.01
Total	61,008.88	54,817.90

b) Information about geographical areas

The management also evaluates the Group's revenue performance based on geographical segments. The Group's geographical segments are as follows:

(i) Revenue from operations

(₹ in Lakhs)

Particulars	Year Ended March 31, 2024	Year Ended March 31, 2023
India	16,414.09	18,146.15
South Africa	13,472.83	12,966.48
Ethiopia	5,564.02	3,736.38
United Kingdom	1,817.71	1,828.72

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

(₹ in Lakhs)

Particulars	Year Ended March 31, 2024	Year Ended March 31, 2023
Tanzania	870.42	308.03
Zambia	1,293.02	508.75
Chile	539.55	755.67
Hong Kong	1,853.58	382.19
Bangladesh	1,352.55	867.03
Russia	1,315.37	1,521.90
Jordhan	1,159.81	6,309.64
Mexico	488.22	609.42
Switzerland	409.67	23.27
Germany	696.37	543.14
Rest of World	13,761.67	15,099.19
Total	61,008.88	63,605.97

(ii) Non - current assets

(₹ in Lakhs)

Particulars	Year Ended March 31, 2024	Year Ended March 31, 2023
India	28,435.85	24,599.71
Hong Kong	4.29	5.26
Total	28,440.14	24,604.97

c) Information about major customers

Revenues from one of the customers of the Company were approximately ₹ 4,414.36 Lakhs representing approximately 7.00% of the Company's total revenue from operations from sale of products, for the year ended March 31, 2024.

Revenues from one of the customers of the Company were approximately ₹ 4,341.30 Lakhs representing approximately 7.92% of the Company's total revenue from operations from sale of products, for the year ended March 31, 2023.

The reportable segments derives their revenues from the sale of pharmaceuticals products. The CODM reviews revenue as the performance indicator. The measurement of each segment's revenues, expenses and assets is consistent with the accounting policies that are used in preparation of the Group's consolidated financial statements.

43 Dues to Micro, Small and Medium Enterprises (MSME)

(₹ in Lakhs)

ii. Fair Value Measurements

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the fair value hierarchy that categorises the values into 3 levels. For the inputs to valuation techniques used to measure fair value of financial instruments refer Note No. 2.3(b)

Assets and liabilities measured at fair value:

Notes:

There have been no transfers among Level 1, Level 2 and Level 3 during the period.

Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Management does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

51 Capital Management

Capital includes issued equity capital and share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value.

(₹ in Lakhs)

Particulars	As at March 31, 2024	As at March 31, 2023
Non - current financial liabilities - Borrowings	1,660.27	1,789.19
Current financial liabilities - Borrowings	8,262.58	5,734.61
Less : cash and cash equivalents	(809.12)	(739.66)
Net debt (A)	9,113.73	6,784.14
Total Equity	49,124.50	43,924.57
Total Capital (B)	49,124.50	43,924.57
Capital and Net Debt C = (A) + (B)	58,238.23	50,708.71
Gearing Ratio (A) / (C)	0.16	0.13

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations. The company monitors capital using gearing ratio, which is total debt divided by total capital plus debt.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

52 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's business activities expose it to a variety of financial risks, namely market risks, credit risk and liquidity risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. The top management is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

a) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, borrowings, foreign currency receivables and payables.

i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates to the Company's long-term debt as well as short-term obligations with floating interest rates.

In order to manage its interest rate risk, the Company diversifies its portfolio in accordance with the limits set by the risk management policies.

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates. A 1% decrease in interest rates would have led to approximately an additional ₹ 99.21 Lakhs gain for year ended March 31, 2024 (₹ 75.22 Lakhs gain for year ended March 31, 2023) in Interest expenses. A 1% increase in interest rates would have led to an equal but opposite effect.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting

ii) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the borrowings, import of raw materials, exports of Formulations and the Company's net investments in foreign subsidiaries.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure.

The Company evaluates exchange rate exposure arising from foreign currency transactions. The Company follows established risk management policies. It uses derivative instruments like foreign currency forwards to hedge exposure to foreign currency risk.

Outstanding foreign currency exposure:

(₹ in Lakhs)

Particulars	As at March 31, 2024		As at March 31, 2023	
	Foreign Currency Amount	Amount in Rs.	Foreign Currency Amount	Amount in Rs.
Receivables				
USD	160.33	13,365.23	135.79	11,158.85
EURO	0.62	55.92	2.18	195.11
GBP	1.78	187.75	1.41	143.31
Foreign Currency Bank Account				
USD	0.03	2.38	0.02	1.40
Payables

GBP	0.57	60.52	0.47	41.80
EURO	1.10	99.56	0.58	58.66
Borrowings				
USD	53.86	4,489.73	52.82	4,341.02

Foreign exchange risk sensitivity:

As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates. A 1% increase in interest rates would have led to approximately an additional ₹ 41.37 Lakhs net loss for year ended March 31, 2024 (₹ 3.52 Lakhs net gain for year ended March 31, 2023) in Interest expenses. A 1% decrease in interest rates would have led to an equal but opposite effect.

Forward Exchange Contracts:

Derivatives for hedging currency, outstanding are as under:

(₹ in Lakhs)

Particulars	Purpose	Currency	As at March 31, 2024	As at March 31, 2023

Forward contract value	Exports	₹	14,441.55	16,704.87
Foreign currency forward contracts	Imports	USD	-	-
Forward contract value	Imports	₹	-	-

Notes forming part of the Consolidated Financial Statements

for the year ended March 31, 2024

iii) Other Price Risk

Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from financial assets such as investments in equity instruments. The Company is exposed to price risk arising mainly from investments in equity instruments recognised at FVTOCI. As at March 31, 2024, the carrying value of such equity instruments recognised at FVTOCI amounts to ₹ 5.26 Lakhs (March 31, 2023 ₹ 5.26 Lakhs). The details of such investments in equity instruments are given in Note 6(a) and 6(b).

The Company is mainly exposed to change in market rates of its investments in equity investments recognised at FVTOCI. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

If the equity prices had been higher / lower by 10% from the market prices existing as at March 31, 2024, Other Comprehensive Income for the year ended March 31, 2023 would increase / decrease by ₹ Nil Lakhs (March 31, 2023 ₹ Nil Lakhs) with a corresponding increase/decrease in Total Equity of the Company as at March 31, 2023. 10% represents management's assessment of reasonably possible change in equity prices.

b) Credit Risk

Credit risk arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing / investing activities, including deposits with banks, foreign exchange transactions and financial guarantees. The Company has no significant concentration of credit risk with any counterparty.

Trade receivables:

Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/ modified.

Total Trade receivable as on March 31, 2024 is ₹ 21,232.56 Lakhs (March 31, 2023 ₹ 16,256.02 Lakhs). The average credit period on sale of goods is 90 to 180 days. No interest is charges on trade receivables.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

Movement in the expected credit loss allowance on trade receivables

c) Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

54 Disaggregation of revenue

The operations of the Group are limited to only one segment viz. pharmaceuticals and related products. Revenue from contract with customers is from sale of manufactured goods and rendering of research services. Sale of goods are made at a point in time and revenue is recognised upon satisfaction of the performance obligations which is typically upon dispatch / delivery. The Group has a credit evaluation policy based on which the credit limits for the trade receivables are established. There is no significant financing component as the credit period provided by the Group is not significant.
